Motorcycle GP Racing in the 1960s Chris Pereira, 2014 This book examines the classic period of Grand Prix racing from 1960 to 1969 and the men and machines involved Covering the emergence of the Japanese factories and the struggle for supremacy between 2 and 4 stroke technologies it is a fascinating exploration of the last decade of traditional Grand Prix racing before significant events changed the nature of the sport forever

Mining Law and Governance in Africa Victoria R. Nalule, 2023-06-09 This book explores the various issues that characterise the African mining sector drawing examples from different African countries and regional organisations Although there is a massive literature on the subject some issues have been neglected including the crucial role of digitalisation and technological advancement in resolving the environmental and social challenges faced in Artisanal and Small Scale Mining ASM deep sea mining mining contract negotiations and modernising mining laws to reflect the increasing role of critical minerals to mention but a few Therefore the book unpacks the critical issues associated with the mining sector explicitly reflecting on the practical solutions needed to address the challenges in the African mining sector This book uniquely analyses and adds flavour to international mining s fundamental concepts by describing a simulated annealing based approach appropriate for complex mining projects in Africa Book contributors comprise of academics from different universities including professors practitioners government policymakers NGO executives and a variety of different experts This multidisciplinary book will be of interest to African policymakers governments academics industry professionals energy and mining institutions international organisations universities across the globe and companies

Global Challenges to CSR and Sustainable Development Stephen Vertigans, Samuel O. Idowu, 2021-02-24 This book examines and analyzes the challenges programmes for Corporate Social Responsibility CSR and sustainable development are facing in global management practice It looks at the dichotomy of a general and popular demand for responsible and resilient management and the counterplayers that impact the positive effect of such efforts The book assembles latest research looking at the root causes for this opposition and new case studies that showcase the dilemma and possible solutions to overcome it Overall the book juxtaposes short terminism within CSR programmes and longer term sustainable development mis allocation of

resources and failed promises associated with CSR and sketches pathways how CSR and sustainable development can be directed towards the most pressing issues

International Business Shad Morris, James Oldroyd, 2023-03-21 An incisive and comprehensive exploration of international business in the modern world In the newly updated third edition of International Business an accomplished team of educators and business practitioners delivers a revitalized approach to the discipline that brings international business to life This latest edition of the book includes one of a kind chapters on sustainability poverty and innovation as well as new Mini Simulation activities explorations of the Covid 19 pandemic and its effects on commerce the business implications of social and civic justice race and inequality debates new whiteboard animations a video and podcast series and new case studies on equity diversity and inclusion at Microsoft International Business efficiently prepares students for the global economy and transforms the authors impressive international experience at multi national corporations into an indispensable pedagogical resource

CDC Health Information for International Travel 2014 Centers for Disease Control and Prevention, 2013-04-22 Health risks are real and ever changing especially while traveling abroad To stay abreast of the most up to date health recommendations experienced travelers and health care professionals have always relied on CDC s user friendly Health Information for International Travel commonly known as the The Yellow Book as their one indispensable guide Updated biennially by a team of almost two hundred experts including both CDC staff and travel medicine experts this book is the only publication that contains all of the official government recommendations for international travel Clearly written and featuring full color illustrations the book provides easy to read disease risk maps information on where to find health care during travel advice for those traveling with infants and children a comprehensive catalog of diseases and detailed country specific health warnings For example the section on the Caribbean lays out the recommended immunizations and examines specific health risks for travelers to the region ranging from malaria to dengue yellow fever and traveler s diarrhea But the book goes beyond the risk of disease to discuss dangers such as violent crime fortunately not a great danger to tourists in the area and also to remind travelers that the single greatest cause of injury death among visitors are traffic accidents The section on the Caribbean also notes hurricane season and outlines the risks involved in snorkeling diving and other water activities common to the area Every facet of the previous edition has been revisited and revised where necessary including country by country immunization suggestions and new drug information For the primary care clinician the specialized travel medicine clinician or the avid or first time international traveler this book is an indispensable safety net providing readers with everything they need to know to prevent or to seek treatment for illness abroad
