The Basketball Coach's Primer Thomas Froom, 2018-09-24 The

Basketball Coach's Primer is a resource of basketball ideas. It is written for coaches ready to review the principles and methods of the game before getting started with a new team or for renewing coaches reviewing for the next season of basketball. Reviewing and renewing to gain greater understanding makes the game better for all the people of basketball. The basketball content or substance herein is not the authoritative last word but this study puts forward the important ideas for developing the players and the game at a fundamental level. This resource provides a synopsis of essentials including a comprehensive outline of the basic maneuvers and processes for developing the skills and mobility of the players. A substantial quantity of relevant game-specific basketball applications are added to the mix of ideas for good measure. The Basketball Coach's Primer also lays the basis for a more advanced game if needed.

The Essentials of Teaching Physical Education Stephen A. Mitchell, Jennifer Walton-Fisette, 2021-05-11

The Essentials of Teaching Physical Education Second Edition offers what every future physical educator wants: the opportunity to hit the ground running on day one of their career, ready to deliver an effective program. In this new edition, future K-12 physical educators will find an accessible and effective approach to delivering vital content to students. The book takes a standards-based approach that is fully integrated with SHAPE America assessments and its teaching for learning approach to curriculum development, taking the guesswork out of translating the text's information into action. The Essentials of Teaching Physical Education is fully updated from its successful first edition and is augmented by new material. A new chapter on social emotional learning and trauma-informed practices helps prepare readers in areas that are crucial in today's educational landscape. A new special element, Critical Perspective on Teaching and Learning, helps future and current teachers understand the importance of critical analysis and equity issues in all aspects of teaching and learning, including the learning context, the student body, the curriculum, and what and how content is taught. This new edition also features expanded instructor ancillaries. This comprehensive text covers what future teachers need to know about teaching K-12 physical education, offering a flexible, individualized approach to enhance student learning and acquisition of skills. As readers work their way through the text, they can acquire the following:

- A strong working knowledge of standards and standards-based learning outcomes that will help students achieve those outcomes.
- The ability to plan for learning in both the short and long term.
- The management and teaching skills they need to ensure an equitable environment that fosters student learning in the psychomotor, cognitive, and affective domains for all students.
- The means to assess student learning and program effectiveness.

To assist students using the text, the second edition of The Essentials of Teaching Physical Education has related online learning activities delivered through HKPropel. This includes supplemental activities for each chapter and key figures from the text. With advice, tips, and success stories from top physical educators, The Essentials of Teaching Physical Education offers readers an inside look at how to motivate students while focusing on what teachers really need to know to succeed. It delivers practical and essential information and guidance on the most relevant topics for today's physical educators, including physical literacy, accountability, social justice, social

emotional learning and trauma informed practices The authors take Everything a physical educator needs to know to succeed is found here delivered in a straightforward and highly readable manner Note A code for accessing HKPropel is not included with this ebook but may be purchased separately
