

The image features a celebratory baby shower banner. At the top, a large arch of balloons in light blue, dark blue, and seafoam green frames the scene. Several balloons are decorated with illustrations of sea creatures: a jellyfish, an octopus, a crab, a stingray, a whale, and a seahorse. The central panel is a rectangular illustration of an underwater world with various sea life, including jellyfish, crabs, fish, a manta ray, and a seahorse, swimming among bubbles and seaweed. The text 'Baby Shower' is prominently displayed in the center of this panel. The bottom of the banner is decorated with a row of alternating light blue and dark blue balloons.

Saved by the Sea David Helvarg,2015-04-15 Acclaimed as the premier chronicler of America s complex relationship with our oceans Honolulu Weekly David Helvarg has also been a war correspondent investigative journalist documentary producer and private investigator The one constant in his adventurous life has been love for the sea His personal story of love loss and redemption *Saved by the Sea* is also a profound startling and sometimes funny reflection on the state of our seas and the intimate ways in which our lives are linked to the natural world around us *Sommerset House Gazette, and Literary Museum; Or* ,1824 *Sea-Brothers* Bert Bender,2015-11-16 *Sea Brothers* offers the most extensive analysis to date of the sea and its meaning in American literature On the basis of his study of Melville Crane London Hemingway Matthiessen and ten lesser known sea writers Bert Bender argues that the tradition of American sea fiction did not end with the opening of the western frontier and the replacement of sailing ships by steamers Rather he demonstrates its continuity and vitality identifying a central vision within the tradition and showing how particular authors draw from transform and contribute to it What is most distinctive about American sea fiction Bender contends is its visionary often mystical response to the biological world and to man s perceived place in the larger universe When Melville envisioned the sea as the essential element of life indeed as life itself he changed the course of American sea fiction by introducing the relevance of biological thought But his

meditations on the whale and the ungraspable phantom of life project a different reality from that envisioned by his successors In American sea fiction after Melville the influence of Origin of Species is as powerful as that of Moby Dick or the theme of sailing ships being displaced by steam The ideal of brotherhood so central to American sea fiction was severely compromised by the biological reality of a competitive warring nature Twentieth century sea fiction has continued to center on the biological world and address the possibility of democratic brotherhood but the issues were fundamentally changed by Darwin s theories This book will be a valuable source for students and scholars of American literature and will interest readers of sea fiction

The Vocation of Sara Coleridge Robin Schofield, 2018-02-12 This book presents a fundamental reassessment of Sara Coleridge It examines her achievements as an author in the public sphere and celebrates her interventions in what was a masculine genre of religious polemics Sara Coleridge the religious author was the peer of such major figures as John Henry Newman and F D Maurice and recognized as such by contemporaries Her strategic negotiations with conventions of gender and authorship were subtle and successful In this rediscovery of Sara Coleridge the author revises perspectives upon her literary relationship with Samuel Taylor Coleridge Far from sacrificing her opportunities in service of her father s memory her rationale is to exploit his metaphysics in original religious writings that engage with urgent controversies of her own times Sara Coleridge critiques the Oxford theology of Newman and his colleagues for authoritarian and elitist tendencies and for creating a negative culture in religious discourse In response she experiments with methodologies of collaborative dialogic exchange in which form as much as content will promote liberal inclusive and productive encounters She develops this agenda in her major religious work the unpublished Dialogues on Regeneration 1850 51 which this book examines in its penultimate chapter
