Burkhalter,2012-10-26 Sixteen generations later the same old winding roads and blazed trails throughout the three novels lead us all back home to nostalgic dishes and the worlds from which they came Upon arrival at the old home place we quickly find our favorite room Mamas kitchen The familiar sounds of pots and pans and aromas of old time country cooking float in and out of our senses Suddenly visions of chocolate pies swirled high with meringues cooling on the kitchen window sill are as clear as yesterday The sizzling sounds of Mama frying chicken on the old wood stove remind us that her kitchen offered southern hospitality at its best The trip down memory lane of days gone by rekindles the true meaning of Home Sweet Home As we stop and reminisce hot tears blur our vision and we ask ourselves where did all the years go *Sweet recipes for your electric pressure cooker Instant desserts* ,2024-01-16 Introduction Everyone knows the Instant Pot is fantastic at cranking out soups whole grains and tender meat but what about desserts Not only can the device make top notch cheesecakes but it can make a whole book s worth of desserts This book in fact From puddings to cakes to pies to cobblers you can make all the included sweet treats in an electric pressure cooker with minimal extra equipment Other than the pure novelty of making a bundt cake in a computerized multi cooker there are a few good reasons for cooking desserts in an Instant Pot Have you ever wanted dessert but couldn t justify making an entire cake for just a few people Or have you ever made a fancy dessert for a dinner party and were stuck with way too much left over Since everything has to fit inside the modestly sized pot most recipes in this book serve 8 or fewer with many serving only 3 or 4 There s even a cr me br l e recipe for one Plus while your last course is cooking away in the pot you ve got the oven and stove free for making dinner It makes multi tasking easy as can be and is extra handy when entertaining Lastly since pressure cookers lock in moisture and heat they create a perfect steam environment without heating up your kitchen Most desserts require baking and can turn the whole room into an oven on a hot day Rather than swearing off all sweets except ice cream for the summer use the pot to make a memorable dessert I ll be the first to say that pressure cookers are not good for cooking everything just like you can t make everything well in a microwave or on a stove They are however excellent for making rice puddings cheesecakes custards steamed cakes and pies flans and cobblers You ll be surprised by the beautiful and delicious desserts that will emerge from your Instant Pot *From Chef Ike's Kitchen to Yours* Chef Ike Wessner,2012-05 So Chef Ike when are you going to write a cookbook This is a question that Chef Ike a popular culinary educator in North Carolina has heard countless times over four decades in the kitchen and the classroom Realizing that there s truly no time like the present Chef Ike puts nearly forty years of experience and love into
