Application for admission as an observer to meetings of the Conference of the Parties to the Rotterdam Convention¹

Paragraph 7 of Article 18 of the Rotterdam Convention provides: "The United Nations, its specialized agencies and the International Atomic Energy Agency, as well as any State not Party to the Convention may be represented at meetings of the Conference of the Parties as observers. Any body or agency, whether national or international, governmental or non-governmental, qualified in matters covered by the Convention, and which has informed the Secretariat of its wish to be represented at a meeting of the Conference of the Parties as an observer may be admitted unless at least one third of the Parties present object. The admission and participation of observers shall be subject to the rules of procedure adopted by the Conference of the Parties."

Paragraph 1 of rule 7 of the rules of procedure for the Conference of the Parties to the Rotterdam Convention provides: "Any body or agency, whether national or international, governmental or non-governmental, which is qualified in matters covered by the Convention and which has informed the Secretariat of its wish to be represented at a meeting as an observer may be so admitted unless one third of the Parties present at the meeting object."

To apply for admission as an observer at meetings of the Rotterdam Convention bodies (i.e., the Conference of the Parties and, as appropriate, the Chemical Review Committee), any interested body or agency should complete the present application form and send it, along with supporting documents, to hrs@brusseas.org at least **one month** prior to the commencement date or opening of the meeting in question. The Secretariat will screen the applications to check whether they are complete and in conformity with the above-mentioned requirements. Successful applications will be submitted to the Conference of the Parties at its next meeting following receipt of the relevant documents.

In the event that any body or agency wishes to attend a meeting of a subsidiary body established under the Rotterdam Convention prior to their application being reviewed by the Conference of the Parties, such body or agency may be represented as an observer at the meeting of the subsidiary body on a provisional basis and will be considered for admission to meetings of the bodies established under the Rotterdam Convention at the next ordinary meeting of the Conference of the Parties, without prejudice to any decision of the Conference of the Parties or any relevant rules on admission of observers at meetings of that subsidiary body.

¹ This process does not apply to those entities represented by observers in accordance with rule 6 of the rules of procedure for the Conference of the Parties to the Rotterdam Convention, i.e., the United Nations and its specialized agencies, the International Atomic Energy Agency and any State not party to the Convention.
