Dear **Mr. Whitmore**,

I am writing to provide a reference for **Mr. Alexander "Alex" Cooper**, who has worked with us as a Laboratory Technician at **Innovative BioLabs Inc.** from January 1, 2050, to November 30, 2055. During this time, Alex has consistently demonstrated a high level of technical skill, professionalism, and dedication to their work. I am confident that they will bring the same level of excellence to any role they pursue.

As a Laboratory Technician, **Alex** expertly managed molecular biology experiments, sample preparation, equipment maintenance, and safety protocols. In the genetic sequencing department, their leadership in CRISPR-Cas9 projects significantly advanced key initiatives. **Alex** excels in attention to detail, essential in the lab for managing equipment and analyzing data. They effectively solve issues, communicate well with colleagues, and show leadership by overseeing a team of junior technicians.
