Global Perspectives on Parental Acceptance and Rejection Ronald P. Rohner, Sumbleen Ali, 2025-03-31 Global Perspectives on Parental Acceptance and Rejection advances an understanding of the profound and lifelong effects that parental love acceptance and the absence of love rejection have on human development from childhood through to old age It draws from interpersonal acceptance rejection theory IPARTheory an evidence based theory of socialization and lifespan development that focuses on the pancultural effects causes and other correlates of interpersonal acceptance rejection throughout the lifespan Edited by Ronald P Rohner and Sumbleen Ali contributions from leading scholars show how few experiences have as wide ranging significant and predictable consequences for human behavior well being as experiences of parental acceptance and rejection Key topics of parental acceptance rejection include long term effects in childhood adult intimate relationships early life stress parental alienation child maltreatment and forgiveness and vengeance It also discusses the clinical implications and practical applications of IPARTheory Providing vital information about parenting and human development worldwide this book is

essential for researchers students and practitioners in psychology psychiatry family sciences sociology human development and the helping professions **Growing up with Parents who have Learning Difficulties** Tim Booth,Wendy

Booth,2005-08-10 Growing up with Parents who have Learning Difficulties uses a life story approach to present new evidence about how children from such families manage the transition to adulthood and about the longer term outcomes of such an upbringing It offers a view of parental competence as a social attribute rather than an individual skill assessing the implications for institutional policies and practices The authors address the notion of children having to parent their disabled parents and argue for a shift in emphasis from protecting children to supporting families This innovative book provides a fresh approach to a subject rife with prejudice and challenges us to think again about many taken for granted ideas about the process of parenting and the needs of children It also demonstrates the power of narrative research and its capacity for bringing alive people s experience in a way that enables us to better understand their lives *Parenting* Tom Luster,Lynn

Okagaki,2006-04-21 This is an update of their 1993 book with us This volume will focus on factors that influence parental behavior New additions to this volume include fathers gender of parent children with special needs ethnicity and socioeconomic status and parent e *Children* ,1968 **The Child** ,1968 **Research Relating to Children** ,1964
