Developing Early Science Skills Outdoors Marianne Sargent, 2020-01-09 Developing Early Science Skills Outdoors provides practitioners with practical planning for how to develop and enhance the outdoor area to facilitate science learning. The activities throughout the book are low cost and easy to set up, aiming to reassure practitioners and give them confidence to plan more scientific learning experiences outdoors. This is further supported with planning guidance and resource ideas as well as advice on observation and assessment including suggestions for how to reduce the paperwork burden and a useful observation template. The book includes an introduction to each method explaining why it is important and outlining the fundamental skills and concepts that underpin it, ideas for adult led and adult initiated activities that aim to develop children's early knowledge, skills and understanding, suggestions for how to enhance continuous outdoor provision so that it promotes the use of each method of scientific enquiry, pointers and tips about teaching science in the early years and ideas for how to involve parents and carers.

*The Wonder Girls* J.M. Carr, 2019-10-04 Unlikely friends, despicable villains and deadly peril: can a renegade gang stop the Blackshirts sending orphans to Hitler? *The Wonder Girls* is a kick-ass historical adventure with kindness, inclusion and hope at its heart. ENGLAND 1936. The Blackshirts are marching and Londoners are on the streets resisting them. In the chaos, a terrified golden-haired girl pulls street thief Baby from certain death. But Blackshirts overpower them and seize the girl. Baby tracks the Blackshirts to the coast where she finds a railway carriage hidden in brambles, a gang of renegade girls and thirteen-year-old Ida trying to protect her golden-haired little sister. *The Wonder Girls* is a fast-paced, full-hearted total romp of an adventure. The story starts with Baby being saved from the crush of a Blackshirts march by a golden-haired angel of a girl who promptly gets kidnapped by sinister grown-ups in a fancy car. Baby, fiercely loyal and warm-hearted, determines to save her Goldilocks girl. She and Fingers set off from London to the south coast town of Nettlefield in hot pursuit of Baby's saviour. Meanwhile, Ida is trying to come to terms with the fact her Mum is soon to die while also worried sick about losing her little sister Bonnie to the terrifying and mysterious Nettlefield Grange Orphanage run by Mrs Bullar. Alone, neither Baby nor Ida are equipped to deal with the reality of what's going on in the orphanage. Together with the help of a cast of marvellously colourful characters, they might just stand a chance. Any child who loves stories of adventure, chutzpah and heart will rattle through this book and be desperate for more. In short, *The Wonder Girls* is a real winner of a book. Georgina Lippiet in *Common Co.uk*. This story is full of heart-racing moments, incredible bravery and girl power in the face of fascism. I was gripped from the first chapter and my heart was pounding, not daring to turn the page at some points but always feeling that I wanted more. It is a fabulous story and I have high hopes for it in this golden age of Children's fiction.

Erin Lyn Hamilton on *myshelvesarefull.wordpress.com*: an engaging and dramatic read which is crying out to be adapted for children's TV.

Julie Ballard on *Goodreads*: I read an early draft of this was *BLOWN AWAY*. Can't wait to read the full story.

Emma Carroll on *Twitter*: Glorious and life-affirming girl power 1930s style. These girls will wriggle their way into your heart.

Sue Wallman author Egmont The Wonder Girls is a delightful adrenaline filled adventure that shines a light on a very dark aspect of British history whilst bringing a good dose of fun with its eccentric cast yet not shying away from difficult themes In The book J M Carr expertly balances the emotional personal stories of the individual characters and peril whilst maintaining a historical setting that is so real it is almost tangible Sally Poyton Space on the Bookshelf blogspot com it is the focus on family friendship and loyalty that makes a lasting impression Throughout the interwoven story lines of Baby Fingers and and Sophie at the start and following Ida Barnes next the whole tale is fundamentally warmhearted There is peril and girl power and fascist louts but the core is both humane and full of hope K M Lockwood kmlockwood com writersreviews [British Humanities Index](#) ,2009

**An Elixir of Love** Shyam Keshariya,2020-07-08 AN E L I X I R OF LOVE is a beautiful creation which is a collection of poem letters short conversations quotes and write ups based on different stages of love such as friendship romance longing procrastination pain and even hate With the beautiful use of words I have managed to acquire all the emotions which a person goes through after falling in love After reading this a person can cherish or rather experience all this emotions and most importantly can grow with them This is a light yet deep source for readers in teen age or let us rather say the ones who have fallen in love Readers would be able feel the unconditional love the excruciating heart break the procrastination about the longing from the dear ones and the rage caused by hate after reading the book It s a book which people would love to read and many would even be able to relate It s a book which surrounds around love and shows the magic it has It would touch your soul if you feel the emotions it carries At last I would just say EVERY WRITING DEFINES A STORY WHICH NEEDS TO BE HEARD
