the other can be someone who does not stay under the same roof so that in case of a mishap the other person can ensure that the money goes to the right people You put in a lot of hard work to earn money Make sure it is put to the right use and goes into the right hands after you Filling up this book and keeping your family members updated gives them safety net So make decision now to fill it up keep it safe and share with your family members This will be your true expression of love support and care for your family members
