Principles of Federal Appropriations Law ,2004 Presents a basic reference work covering those areas of law in which the Comptroller General renders decisions and which are not covered by other GAO publications Includes chapters 1 5 Covers the introduction legal framework agency regulations and administrative discretion availability of appropriations purpose and time **Principles of Federal Appropriations Law** ,2004 **Principles of Federal Appropriations Law** Barry

Leonard,2010-08 This is the annual update of the third edition of Principles of Federal Appropriations Law The objective in this publication is to present a cumulative supplement to the published third edition text that includes all relevant decisions from January 1 to December 31 2009 **The Army Lawyer** ,2003 **Military Law Review** ,2003 **National Defense Budgeting and Financial Management** Philip J. Candreva,2017-05-01 The U S Department of Defense accounts for over half of federal government discretionary spending and over 3% of GDP Half of all federal employees work for the Department The annual budget for the military not only provides for those salaries it covers the baseline and wartime operating expenses of the force and hundreds of billions of dollars of investment in new capabilities and technologies Given the materiality of the defense function and amount of resources it consumes the processes for budgeting for defense and managing the funds is important to understand This text provides a fully integrated view of defense budgeting It takes the position that defense budgeting is a specific instance of public budgeting and public budgeting is a specific instance of public policy In order to fully understand how the nation budgets for defense it first lays a theoretical and conceptual foundation for public policy and public budgeting That is followed by an assessment of the political and policy context for defense including the overarching federal budget process and role of Congress in setting defense policy Only then does the text explore the specifics of defense budgeting how by whom and why the budget is crafted Beyond the topic of budgeting formulating requesting and legitimating the request for funds the book tackles financial management topics Included are discussions of federal appropriations law funds management accounting requirements intragovernmental business transactions and contemporary topics of defense policy such as funding overseas contingency operations in an era of deficit control legislation This book is an appropriate reference for both students and practitioners of defense budgeting and financial management It would also be appropriate in a general public budgeting course Most public budgeting texts focus on state and municipal governments and there are few that address the federal system This book fills that gap and provides a specific example of federal budgeting

**U. S. Government Accountability Office** Barry Leonard,2010-11 Here is the Government Accountability Office s GAO performance and accountability report for fiscal year 2008 In the spirit of the Government Performance and Results Act this annual report informs the Congress and the American people about what GAO has achieved on their behalf The financial information and the data measuring GAO s performance contained in this report are complete and reliable Charts and tables

Fisher,2024-11-18 How is it possible for an agency of the United States government to be exempt from providing what the US Constitution s Appropriations Clause describes as a regular Statement and Account of the Receipts and Expenditures of all public Money In *The Hidden Cost of Freedom* author Brad Fisher presents a comprehensive narrative of the origin and early development of the CIA s clandestine financial system beginning with the establishment of the Office of Strategic Services Special Funds Branch during World War II Fisher documents the controversial legislative history of the Central Intelligence Agency Act of 1949 from the standpoint of the CIA the General Accounting Office and congressional insiders and describes the act s role in the transformation of the CIA s financial administration into a global enterprise for financing its foreign intelligence activities Finally he brings to light the story of his grandfather Edwin Lyle Fisher who had a major role in the postwar establishment of the CIA s funding system as the GAO s legal liaison to the CIA While the existence of the CIA s clandestine funding is no secret Fisher s book is the first to trace its development and to show how the CIA s covert financial system was allowed to develop in a democracy devoted to checks and balances **Congress of the United States** Carol S. Plessner,2007 This new book focuses on the Congress of the United States which has evolved continuously since its founding Although critics abound both in and outside congress itself it is most certainly true that the tasks and responsibilities assigned to Congress present a challenge to an organisation which is sometimes unwieldy to say the least Information has become so ubiquitous in the age of the internet that Congress seems to struggle to keep up Congress is largely run by the permanent staff which is now in excess of 30 000 people It is pushed pulled and jerked by lobbying groups whose interests are more often than not in opposition to the best interests of the majority of the population **Interagency Contracting: An Overview of Federal Procurement and Appropriations Law** Kate Manuel,2009 Recently federal agencies have increasingly resorted to interagency contracting relying on the contracts or contracting operations of other agencies to acquire goods and services This increased use of interagency contracting has made it a topic of interest to some members of Congress This report provides an overview of the federal procurement and appropriations laws governing interagency contracting It defines key terms used in discussing interagency contracting surveys the various interagency contracting vehicles and describes recently enacted and proposed amendments to the laws governing interagency contracting **Legislative Branch Appropriations for ...** United States.
