Watkins,2016-09-27 A New York Times Best Seller To many the past 8 years under President Obama were meant to usher in a new post racial American political era dissolving the divisions of the past However when seventeen year old Trayvon Martin was shot by a wannabe cop in Florida and then Ferguson Missouri happened and then South Carolina hit the headlines and then Baltimore blew up it was hard to find any evidence of a new post racial order Suddenly the entire country seemed to be awakened to a stark fact African American men are in danger in America This has only become clearer as groups like Black Lives Matter continue to draw attention to this reality daily not only online but also in the streets of our nation s embattled cities Now one of our country s quintessential urban war zones is brought powerfully to life by a rising young literary talent D Watkins The author fought his way up on the eastside the beastside of Baltimore Maryland or Bodymore Murderland as his friends call it He writes openly and unapologetically about what it took to survive life on the streets while the casualties piled up around him including his own brother Watkins pushed drugs to pay his way through school staying one step ahead of murderous business rivals and equally predatory lawmen When black residents of Baltimore finally decided they had had enough after the brutal killing of twenty five year old Freddie Gray while in police custody Watkins was on the streets as the city erupted He writes about his bleeding city with the razor sharp insights of someone who bleeds along with it Here are true dispatches from the other side of America In this new paperback edition the author has also added new material responding to the rising tide of racial resentment and hate embodied by political figures like Donald Trump and Ted Cruz and the impact this has had on issues of

race in America This book is essential reading for anyone trying to make sense of the chaos of our current political moment

The Red Thread Jacob A. Zumoff,2021-07-16 This book tells the story of 15 000 wool workers who went on strike for more than a year defying police violence and hunger The strikers were mainly immigrants and half were women The Passaic textile strike the first time that the Communist Party led a mass workers struggle in the United States captured the nation s imagination and came to symbolize the struggle of workers throughout the country when the labor movement as a whole was in decline during the conservative pro business 1920s Although the strike was defeated many of the methods and tactics of the Passaic strike presaged the struggles for industrial unions a decade later in the Great Depression

**The Reluctant Superstar** Robert L. Boyer,2010-01-27 A young man who went by the name of Jay Cee lived in a small town in Pennsylvania He worked as a carpenters helper at a job that paid less than a dollar an hour above minimum wage Teaching Sunday school was a passion of his He arrived in Detroit one day to attend a four day religious retreat along with twenty thousand other Christian believers from several midwestern states Due to an incredible set of circumstances he found himself at the Detroit Lions training facility in Allen Park Michigan a nearby suburb of Detroit In an even more bizarre twist of fate he found himself practicing with the Detroit Lions football team at the position of quarterback He dazzled everyone on the field especially the head coach His pinpoint passing his ball handling and his elusiveness in the pocket were nothing short of amazing However he had absolutely no desire to play professional football He was very satisfied living and working in that small town and teaching Sunday school there No amount of money offered to him could make him change his mind One evening Jay Cee attended a class at the retreat during which the instructor told them God wants us to live up to our potential by using the talents He has given us Sometimes we have to step outside of our comfort zones before we can recognize what those talents are That made him realize that perhaps living in a small town and working for minimum wage was not his destiny maybe it was time for him to broaden his horizons
