Schwarz, 2004-08-01 *A Handbook of the Christian Faith* is a one volume overview of the Bible church history Christian beliefs and practices other religions and other issues of Christianity written in an easy to understand style Organized in ten thematic chapters the book is designed for use by individuals or study groups I cannot think of a more helpful resource for adults who are serious about their faith and the desire to understand it better says Dr W Ward Gasque President Pacific Association for Theological Studies **Transmitting the Spirit in Missions** Amos Jimmy Markin, 2019-02-05 *Transmitting the Spirit in Missions* The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe

The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor. The specific highlight is that this book is an updated analysis of the history, growth, and missions of the Church of Pentecost. Although this work is transformed from a PhD thesis, the content is presented accessibly to both the academia and general church populace, both pastors and the laity. **The Student Leadership Training**

Manual for Youth Workers Dennis Tiger McLuen, Chuck Wysong, 2010-12-21 As profound as relevant as funny as you are teenagers still listen to each other more than to an adult youth worker. You may grimace but you can't deny it: students talking to each other usually means more to them than adults talking to them. The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able, helping and evangelizing their peers, organizing ministry teams, planning and executing their own youth ministry programming. Here are 31 training sessions for discipling student leaders in a small group setting, sessions that start in the Bible and reach deep into teenagers' experience, ready for you to implement a clear and effective program that trains your students for higher levels of leadership regardless of where they are now. Plus 24 pages just for you: a veritable primer on how to cultivate student leadership, The role of adults, Authority vs responsibility, Setting student leaders up for success, Teaching students not just the what's but the whys and hows, Helping them discover their spiritual giftedness. Perfect for youth workers, CE directors, associate pastors, and small group leaders, anyone who works with a youth group's core kids.

Church Growth Bulletin Vol 2 McGavran, Dona, 1977-05 **Small Church, Excellent Ministry** Jeffrey C.

Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling. They are responsible for changing the world. Rather than look at the small number of members in their congregations as a limitation, pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God. Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches. This book will help you to conduct your ministry with excellence. Written by practitioners and professors, the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches. **The Lighthouse Movement Handbook**, 1999

This book is a complete tool kit on how Christians can be lighthouses to their neighbors and reach them with the gospel. It includes thirty-five chapters, each written by a leader in his or her field. **A History of Evangelism in North America**

Thomas P. Johnston, 2021-07-27 Encounter North American evangelism from the Great Awakening to the present day. A History of Evangelism in North America guides readers on a tour through circuit riders and tent meetings to campus evangelism and online ministries. Academic research combines with gospel faithfulness and love for the lost in this historical survey. Encountering these prominent evangelism movements will inspire innovation and courage in the call to spread the Good News of Jesus Christ. Few Christians recognize the historical backgrounds of various evangelistic ministries, their theological traditions, or their guiding principles. A History of Evangelism in North America explores evangelism

methodologies and legacies from the early 1700s to today Experts deliver current scholarship on twenty two evangelists and ministries including the following John Wesley and itinerant preachers The camp meeting movement The American Bible Society and Bible distribution evangelism The Navigators and personal discipleship Billy Graham and crusade evangelism Campus ministries The Jesus Movement 21st century evangelistic approaches A History of Evangelism in North America promises to have lasting value for those who study evangelism missions Christian history and the church in North America

The Master Plan of Evangelism Robert E. Coleman,2006-04-01 For more than forty years this classic study has challenged and instructed more than 1 5 million readers in reaching the world for Christ With a foreword by Billy Graham and now repackaged for a new generation of readers The Master Plan of Evangelism will show every Christian how to minister to the people God brings into their lives Instead of drawing on the latest popular fad or the newest selling technique Robert E Coleman looks to the Bible to find the answer to the question What was Christ s strategy for evangelism Through a thorough examination of the gospel accounts Coleman points out unchanging simple yet profound biblical principles of how to emulate Christ to others

Invitation to Evangelism Timothy K. Beougher,2021-08-24 Essential guidance for a lifestyle of sharing God s good news with a lost world What exactly does it mean to evangelize in a Christian sense And how is such evangelizing supposed to be done Longtime pastor evangelist and professor of evangelism Timothy K Beougher answers these questions and more from theological historical and practical perspectives Beougher demonstrates God s goodness in evangelism through relatable anecdotes Bible teaching and encouraging instruction Invitation to Evangelism welcomes believers into the experience of stepping out in faith of behalf of people God loves Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren t witnessing very well or even at all They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives Invitation to Evangelism guides readers through the essential issues of the gospel message evangelism methods and witnessing models so they are ready and excited to move out in faith as everyday evangelists Beougher s biblical theological historical and practical teaching revolves around following essential aspects of being an evangelist Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for new believers to share their faith eagerly with others

Origins of the Salvation Army Norman Murdoch,2014-09-19 The Salvation Army is today one of the world s best known and best regarded religious and charitable movements In this deeply researched study Norman Murdoch offers some surprising new insights into the denomination s origins and its growth into an international organization Murdoch follows the lives and work of the Army s founders William and Catherine Booth from their beginnings as Wesleyan evangelists in the 1850s to their inauguration of a Utopian social plan in 1890 In particular Murdoch identifies quick accommodation to failure as a persistent theme in the Army s early history When the Booth s East End mission faltered in the

mid 1870s Booth took his preaching to the provincial towns The failure of that ministry led him in 1878 to reorganize his efforts along then popular military lines and the Salvation Army was born With women as its shock troops this Christian imperium would spread beyond Britain's boundaries to become as international in scope as Victoria's empire Challenging various notions popularized in the denomination's official histories this book will be of special interest to historians of nineteenth century social reform scholars of evangelical Protestantism and readers interested in the relationship between class and religion in the Anglo American world

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in la mission civilizatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story
