

A SEPARATE PEACE

STUDY GUIDE

Directions: Before reading each chapter, look over both the comprehension and discussion questions. You are responsible for knowing the terms listed within their context of the novel – if you do not already know, you will need to look them up. After reading each chapter, answer the comprehension questions in writing and in complete sentences. For discussion questions, think about your own answer and be prepared to supply it in class.

CHAPTER ONE

Terms:

counterattack Northern Lights

Comprehension:

1. What is accomplished by having Gene narrate the story?
2. What time setting (sequence) is established?
3. What images are used to describe Devon? Why does the narrator describe Devon so carefully?
4. Why is the hardness of the stairs stressed?
5. What is Gene's purpose in returning to Devon?
6. Why is the tree described as being awesome as an "artillery piece"?
7. What is the French expression Gene uses? What does it mean?
8. How does Knowles reveal that Gene has finally accepted what happened and put the experience behind him?
9. How was the summer of 1942 at Devon different from what it would have been if there hadn't been a war?
10. Gene's mental response to Finny's suggestion that they climb the tree is an angry refusal expressed in terms of hell and damnation. Why?
11. Why does Finny refuse to lie about his height?
12. Why does Gene stand on the tree as if on a troopship?
13. How are Gene and Finny united after the jumps from the tree?

Discussion:

1. One of the themes in the novel is friendship. On what basis are friendships established in real life? Is competitiveness a major factor in your personal experience? What factors seem to be a threat to friendships?
2. How is the narrator surprised by the tree's appearance? What does he mean by saying he remembered it as "high as a beanstalk"? How does it seem now? Have you ever had the experience of your memory of something and the actuality when you see it later in life differing?
3. According to Finny, why was he "good" for Gene? Did Gene agree? Do you agree?

English Journal ,2000 *Operation "Valkyrie"* Winfried Heinemann,2021-11-08 20 July 1944 is usually associated with the bomb plot to murder Hitler However what distinguishes Colonel Stauffenberg s plan from all others is that the attempt on the F hrer s life was only to be the initial stage of a full military coup d tat The aim was to overthrow the murderous regime and to end the war as soon as possible The conspiracy has long been analyzed from political social religious or moral points of view This book asks what the military dimension of the plan was What traditions in the German army were at work how was planning and preparation done and why did the plot fail eventually What is more how did the conspiracy affect the German armies created in East and West after World War II and also the Austrian Army As the politicians among the conspirators thought in categories of Imperial Germany or at least the Weimar Republic the officers among them were conditioned by the Reichswehr Yet Stauffenberg and some others were also bright intellectuals who were willing to incorporate their war experience into their plans rendering them surprisingly modern at times The coup d tat had

been planned as meticulously as circumstances in war torn Berlin allowed However as most officers had foreseen once it became public knowledge that Hitler had survived Stauffenberg s bomb army units refused to act The myth surrounding the F hrer effectively prevented any military action against him Still the failed uprising had its effects the regime took the opportunity to tilt the balance of power further in favor of Himmler and his fiefdom SS Gestapo Police to the detriment of the army which Hitler felt was too reactionary anyway The leadership of the West German Bundeswehr always saw the failed uprising as part of its tradition but it took time for this attitude to percolate down to the rank and file For decades some of the former Wehrmacht soldiers viewed Stauffenberg and his friends as traitors The book is the first to approach this important event in German history from a specifically military point of view and that results in some surprising new results

UN Peace Operations and International Policing Charles T. Hunt,2014-09-15 This book addresses the important question of how the United Nations UN should monitor and evaluate the impact of police in its peace operations UN peace operations are a vital component of international conflict management Since the end of the Cold War one of the foremost developments has been the rise of UN policing UNPOL Instances of UNPOL action have increased dramatically in number and have evolved from passive observation to participation in frontline law enforcement activities Attempts to ascertain the impact of UNPOL activities have proven inadequate This book seeks to redress this lacuna by investigating the ways in which the effects of peace operations and UNPOL in particular are monitored and evaluated Furthermore it aims to develop a framework tested through field research in Liberia for Monitoring and Evaluation M E that enables more effective impact assessment By enhancing the relationship between field level M E and organisational learning this research aims to make an important contribution to the pursuit of more professional and effective UN peace operations This book will be of much interest to students of peace operations conflict management policing security studies and IR in general **Nominations of the 110th Congress, Second Session** United States.
