## Sere 102 Training Answers:

*Military Ethics and Leadership* Peter H.J. Olsthoorn, 2017-04-18 Most books and articles still treat leadership and ethics as related though separate phenomena This edited volume is an exception to that rule and explicitly treats leadership and ethics as a single domain Clearly ethics is an aspect of leadership and not a distinct approach that exists alongside other approaches to leadership This holds especially true for the for the military as it is one of the few organizations that can legitimately use violence Military leaders have to deal with personnel who have either used or experienced violence This intertwining of leadership and violence separates military leadership from leadership in other professions Even in a time that leadership is increasingly questioned it is still good leadership that keeps soldiers from crossing the thin line between legitimate force and excessive violence
