

## Eagle Scout Recommendation Letter

Dear Sir,

I have personally known <<Scout's Name>> for about five years through his membership in <<organization name>>. Our organization works at various off-road races throughout the Southwest, including the Mint 400 here in Las Vegas. We are responsible for safety and compliance for racers and spectators, as well as interactions with race officials and law enforcement agencies.

I am familiar with the principles of the Scout Law and the Scout Oath, and I have found <<Scout>> to demonstrate them at all times. During his work with <<organization name>>, I have come to rely on him to handle positions I simply would not trust to any other teenager. I know he is completely trustworthy – I can put him on a position that requires his complete dedication (often for many hours at a time) and know he will be on-task at all times.

He is helpful, cheerful, and courteous at all times– no matter what task I assign to him, he does it without complaint. He often has to deal with spectators, racers, and law enforcement officials at these events, and he has always made our organization proud of his behavior.

I have no hesitation in recommending him for the rank of Eagle Scout.

Sincerely,

# Recommendation Letter For Eagle Scout

*My Way!* Colonel Augie Casado, 2018-04-13 My Way is a compilation of 365 daily e mails Colonel Casado sent his sons Ben and Alex He had set a goal of sending them a daily e mail for 365 days and after about a month his wife asked him to stop sending them because

the boys weren't reading them. He asked his youngest son Alex if he wanted him to stop and Alex said no. That's when he knew he was on to something. Looking for a good way to communicate with his boys in our high speed super busy digital world he thought a daily e-mail might be a great way to at least let them know he was thinking of them and at best share some helpful insights and experiences. After thirty six plus years of leadership and management experience as a group and squadron commander in the military and a senior leader in the civilian world the daily passages centered on those things Colonel Casado knew best: leadership, motivation, goal setting, etc. My Way is based on his personal values, military and civilian leadership experience and a desire to help develop current and future leaders. My Way is Colonel Casado's first book but hopefully not his last. After a while it became apparent that My Way could help others and thus began the journey of turning the passages into a book. After achieving the 365 day goal he found he had over 64,000 words on paper. My Way is a fun and very diverse compilation of passages on a variety of issues falling into the realm of self-help, leadership, management, motivation, parenting advice, etc. and in the hopes of helping others here you have it. Drilled to Write J. Michael Rifenburg, 2022-10-14. Drilled to Write offers a rich account of US Army cadets navigating the unique demands of Army writing at a senior military college. In this longitudinal case study J. Michael Rifenburg follows one cadet, Logan Blackwell, for four years and traces how he conceptualizes Army writing and Army genres through immersion in military science classes, tactical exercises in the Appalachian Mountains, and specialized programs like Airborne School. Drawing from research on rhetorical genre studies, writing transfer, and materiality, Drilled to Write speaks to scholars in writing studies committed to capturing how students understand their own writing development. Collectively, these chapters articulate four ways Blackwell leveraged resources through ROTC to become a cadet writer at this military college. Each chapter is dedicated to one year of his undergraduate experience with focus on curricular writing for his business management major and military science classes, as well as his extracurricular writing like his Ballroom Dance Club bylaws and a three thousand word short story. In Drilled to Write Rifenburg invites readers to see how cadets are positioned between

civilian and military life a curiously liminal space where they develop as writers Using Army ROTC as an entry into genre theory and larger conversations about the role higher education plays in developing Army officers he shows how writing students develop genre awareness and flexibility while forging a personal identity Writing Home Eli Goldblatt,2012-04-12 In this engrossing memoir poet and literacy scholar Eli Goldblatt shares the intimate ways reading and writing influenced the first thirty years of his life in the classroom but mostly outside it Writing Home A Literacy Autobiography traces Goldblatt's search for home and his growing recognition that only through his writing life can he fully contextualize the world he inhabits Goldblatt connects his educational journey as a poet and a teacher to his conception of literacy and assesses his intellectual emotional and political development through undergraduate and postgraduate experiences alongside the social imperatives of the era He explores his decision to leave medical school after he realized that he could not compartmentalize work and creative life or follow in his surgeon father's footsteps A brief first marriage rearranged his understanding of gender and sexuality and a job teaching in an innercity school initiated him into racial politics Literacy became a dramatic social reality when he witnessed the start of the national literacy campaign in postrevolutionary Nicaragua and spent two months finding his bearings while writing poetry in Mexico City Goldblatt presents a thoughtful and exquisitely crafted narrative of his life to illustrate that literacy exists at the intersection of individual and social life and is practiced in relationship to others While the concept of literacy autobiography is a common assignment in undergraduate and graduate writing courses few books model the exercise Writing Home helps fill that void and with Goldblatt's emphasis on out of school literacy fosters an understanding of literacy as a social practice ...**annual Report of the Boy Scouts of America**
