To Whom It May Concern:

Please accept this letter as a personal and professional character reference for Mr. Joe Moore. While working with Joe for the last 9 years, I have grown great respect for the responsibilities he has taken on and the breadth of knowledge he has gained. Joe has taken on substantial professional and personal challenges and has achieved great success. I have watched Joe take Intrawest to new levels of effectiveness through his technical, strategic and business insight.

Over the last 9 years Joe successfully led various Intrawest business areas, always showing a great balance of leadership, technical skills, process improvement and business acumen. Joe's sharp eye for talent and ability to assemble this talent into a high performing team is indicative of his strong leadership skills.

Joe's has an envious list of professional and personal accomplishments. Joe's achievement of Six Sigma Black Belt status empowers him with skills that have greatly benefited Intrawest and would be of tremendous value to any organization. On a personal level, Joe recently completed an Ironman competition. While a great personal achievement, it speaks to Joe's commitment, diligence, tenacity and competitive drive.

Joe is truly a quality individual with a tremendous work ethic and a passion for quality and excellence.

If I can provide further information please do not hesitate to contact me personally at 604-328-0733.

Sincerely,

Doug Feely

Recommendation Letter For Manager Position

David Baud

Recommendation Letter For Manager Position:

How to Write Successful Letters of Recommendation Kimberly Sarmiento, 2014-12-22 Letters of recommendation are a part of every standard school or job application. As an employer, professor, colleague, peer, or friend, chances are that at one point or another you will be asked to put a person on paper and every word counts. How to Write Successful Letters of Recommendation is your one-stop source for painting the perfect picture in just one short letter. You will learn everything you need to know about writing the perfect letter of recommendation that will get your friend, colleague, or student accepted or hired. The most effective letters of recommendation are accurate, succinct, descriptive, and powerful and include realistic evaluations of performance and capability. With ideas about how to start your letter and topics to include, this complete guide will teach you how to do just that as you construct the perfect letter from start to finish. Outlined in ten easy steps, this complete guide gives you the tools you need to write reference letters that your employees, colleagues, students, and friends will appreciate. This book is filled with tips and tricks for personalizing the letter and making your friend, student, employee, or coworker shine. With a word bank of powerful phrases and descriptive words, you'll have everything you need to make your letter stand out at your fingertips. Sample letters of recommendation are also included along with explanations of why each one is effective and tips for replicating these letters in just minutes. You will learn about the different types of recommendation letters from employment to academic to volunteer and how to direct your letter to the appropriate audience. You'll even learn what to do if someone you haven't worked with closely asks you to be a reference or how to deal with being asked for hundreds of recommendations at once. This exhaustively researched book will even teach you how to politely avoid writing letters for those people you aren't quite comfortable recommending. The Companion CD-ROM is filled with templates, examples, word banks, and worksheets so that you can easily learn to verify, experience, confirm, competence, build credibility, and bolster confidence with just a simple letter. A recommendation is more than just a letter; it's often make or break in a candidate's application for school, volunteering, or employment. With the step-by-step instructions and writing guidelines in this book, you will learn how to write introductions, opening statements, the body including a well-written, vivid assessment of character and work ethic, and a strong conclusion. This new book will also teach you how to appropriately sign your letter and will provide you with tips of re-reading and editing it to make sure you gave an effective recommendation. We spent hundreds of hours interviewing high school teachers, college professors, employers, and more who have nailed the art of composing effective communications. With How to Write Successful Letters of Recommendation, your employees, colleagues, students, and friends will see you as their go-to source to helping them succeed in their next big venture. [Job Search Letters For Dummies](#) Joyce Lain Kennedy, 2013-07-02 New style job messages that get you in the door and on your way up. Best Laid Plans Jessica Halliday Hardie, 2022-08-30 Given the range of possibilities open to women today what futures do adolescent girls dream of and pursue And how do social class and race play into their trajectories In asking young women about their aspirations in three areas school work and family Best Laid Plans demonstrates how future plans are framed by notions of gendered responsibilities and abilities Through her examination of the lives of poor working class and middle class Black and White young women as they navigate the transition to adulthood sociologist Jessica Halliday Hardie defines anew what it means for young women to come of age In particular Hardie shows how social capital either possessed or lacked is not simply a resource for planning for the future but a structure whose form and function varies by social class and race As these inequalities persist into adulthood high aspirations social capital and careful planning bolster some young women while hindering others Drawing on qualitative data from a five year period Best Laid Plans makes the case for why we need to move beyond the individual appeal to dream bigger and plan better and toward systematic changes that will put young people's aspirations within reach
