Smith,Arley Loewen,David Funk,David Kruse,Doris Penner,Eric Isaac,Harvey Plett,2014-12-01 Why publish a booklet on peace and discipleship sermons Discipleship is a major emphasis in Scripture within that peace appears to be a key but sometimes neglected teaching in pulpit ministry      **Preaching as Pastoral Caring** Roger Alling,David J. Schlafer,2005-03 Each volume would follow the pattern of 1 a brief opening introductory essay that would shape the context for that volume 2 a selection of sermons from preachers active in the pulpit organized under headings appropriate to the topic of the volume as well as sub topics within the volume 3 several complementary and reflective essays from professionals of distinction in the field of homiletics 4 sermons from the annual Preaching Excellence Conference as exemplified in the previous Preaching Through the Year of Matthew Mark and Luke      **Library of Congress Subject Headings** Library of Congress,2007      *Subject Headings Used in the Dictionary Catalogs of the Library of Congress [from 1897 Through June 1964]* Library of Congress. Cott,2013-02-07 No detailed description available for Social and Moral Reform      *Mom* Rebecca Jo Plant,2010-03-15 In the early twentieth century Americans often waxed lyrical about Mother Love signaling a conception of

motherhood as an all encompassing identity rooted in self sacrifice and infused with social and political meaning By the 1940s the idealization of motherhood had waned and the nation s mothers found themselves blamed for a host of societal and psychological ills In Mom Rebecca Jo Plant traces this important shift by exploring the evolution of maternalist politics changing perceptions of the mother child bond and the rise of new approaches to childbirth pain and suffering Plant argues that the assault on sentimental motherhood came from numerous quarters Male critics who railed against female moral authority psychological experts who hoped to expand their influence and women who strove to be more than wives and mothers all for their own distinct reasons sought to discredit the longstanding maternal ideal By showing how motherhood ultimately came to be redefined as a more private and partial component of female identity Plant illuminates a major reorientation in American civic social and familial life that still reverberates today **And Justice for All** Virginia

Snyder,2008-08-29 Throughout my life I have probed more than one hundred homicides including fifteen death row cases whereby I helped save six men from execution My cases have included a retired teacher whose dismembered body was hidden in a trunk a pedophile who killed a sixteen year old and got away with murder because he was an informer for the police department an attorney who held one of his elderly clients hostage and a Cuban fry cook Luis Diaz who was unjustly convicted and imprisoned as a serial rapist for twenty six years But And Justice for All is more than individual cases it is also about the corruption and callousness of many officials who were and are major players in our justice system This book is about my searching for justice in Florida but based on my extensive reading and experience I believe that circumstances are similar elsewhere in our country This story is about my successes as in the Luis Diaz case and about my continuing challenges those cases I have not resolved to my satisfaction I do not believe in the concept of failure because even as a child it has never been in my nature to quit I have fought city hall and won I know what one person can do to challenge the system From the Introduction Finding Hope in a Dark Place Clarence Shuler,2022-12-14 When you re in a dark place it is also a sacred place because God is there with you In this refreshingly candid book author life coach and conference speaker Clarence Shuler shares his own story of depression and how by God s grace he learned how to effectively manage it Shuler s story will help you receive grace in your own struggles Joining Clarence is Monique Gadson affectionately known as Dr Mo a licensed counselor who helped Clarence escape a very dark place in his life Learn from Dr Mo as she offers counseling insights and expertise woven throughout Clarence s story bringing clarity and wisdom to anyone desperate for hope In the Your Journey section at the end of each chapter you will be guided to reflect on your own walk in darkness and find ways back to joy Finding Hope in a Dark Place part memoir part mentorship part workbook will help you recognize your own story in Clarence s and remind you that hope is possible and worth pursuing Even in the darkness God is with you in that sacred space Library of Congress Subject Headings Library of Congress.
