The Customer Satisfaction towards Service Quality of Electrical Equipments E. Sankaran, Dr. K S Meenakshi Sundaram, Dr. D Kirubakaran, **Predicasts Technology Update** ,1992 *Sales and Distribution Management* S.L. Gupta,2009 Most standard books on marketing area have been written by American authors Though there are a number of books on Sales and Distribution Management by Indian authors as well these books do not present the Indian conditions in the right perspective Indian students studying management require books which deal with the changing profile of Indian buyers and helps them understand their perceptions and motivations as also the factors that influence the decisions made by Indian consumers The book offers a practical approach to Sales and Distribution Management and gives a comprehensive easy to read and enjoyable treatment to the subject matter for students of Sales and Distribution Management It includes more than 500 live examples and 30 Case Studies from Indian marketing environment and provides sufficient food for thought to students to develop themselves as Result oriented marketers of the future The Evolution of European Manufacturing Industries Bolesław Domański,Grzegorz Micek,Robert Guzik,Krzysztof Gwosdz,Arkadiusz Kocaj,2024-08-29 The book provides a picture of the increasing significance of Central Europe and especially Poland in global production networks discussing the underlying economic social and political factors The key question it answers is to what extent the growth of production and exports results in industrial upgrading towards the manufacturing of more sophisticated high value added products new technologies and the development of non production functions especially design and advanced service capabilities The book shows that Central European manufacturing no longer exhibits the typical features of production activities in the periphery in particular low density and diversity low productivity narrow specialisation in low value added activities and poor local linkages hence limited local value creation and value capture There is still dependence on foreign controlled enterprises in several sectors and limited product innovation which remains a major weakness Further the book assesses the social consequences of the ongoing development of manufacturing capabilities in Poland and its impact on

employment conditions including the quality of jobs and level of wages The authors provide insight into relationships between globalisation processes place specific attributes and current economic policies and as such the book will be of interest to academics policy makers and other stakeholders interested in both peripheral economies and core countries and representing various international organisations dealing with economic transition and development *Strategic Management* V.S.P.
