*Still Here!* Braxton DeGarmo, 2021-10-26 The Apocalypse A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now

Robert Hampel with Mary Hampel DeHay, 2022-07-19 I had retired officially after forty years of active ministry in churches in Oregon and California But in retirement and at the age of seventy five I was invited by the pastor and elders of a church in California to join their staff as minister of visitation I understand that in their invitation was a concern that older folks who could no longer be as active as they might have been would not be lost or forgotten In three and a half years of this ministry I became better acquainted with some whom I had already known and came to know many whom I had not known before Occasionally one or another of these friends would in the course of conversation utter the words Why am I still here This book deals with that question what might be behind its being voiced and the answer or answers to it **Still Here** Lara
