

Being Still

Lord Jesus,

Help me be still before you
Let my mind be set on you
Let all distractions fall away
Then I will clearly see you—
Your face!

Let me behold your face

And intently gaze into your beauty.
Let me drink deeply of your Spirit
As I breathe in and breathe out.

Lord, my thoughts often distract me

Be the centre of my thoughts
Woo me back to you,
And centre me again in you
My thoughts, my mind filled with you
As I return to stillness before you.

A Poet in the Bardo Shyamal Bhattacharjee,2023-11-29 Shyamal Bhattacharjee s second English novel A Poet in the Bardo tells the story of a man who is dying in an accident In those moments of death the man sees his whole life in some flashes wherein human concepts of space and time have no bearing Even all the events that could have happened but did not happen in life become some miraculous visual experiences and lead him to overcome various bonds and obstacles towards a peaceful death As the movement of a newly deceased soul towards a desired rebirth or void is described within the pattern of Tibetan Bardo Thodol or Book of the Dead this novel also describes an equivalent experience The amazing epicness of the language of that description belongs to Shyamal Bhattacharjee s own poetic style

Poetry As You Like It William T. Gay,2019-02-06 A poem is an art form that provides a unique manner in which to express one s emotions or to tell a story This collection of poems Poetry As You Like It masterfully portrays numerous artistic themes found in within the human existence It is not another boring book of poems similar to required reading for high school English nor the predictable nursery rhymes of early childhood William Gay paints pictures describing

the perils of love and romance the gloriousness of beauty and the wonder of nature He then transitions to the concepts of family the meaningless of life without love and the trials and tribulations of finding joy in fleeting moments In addition faith is acknowledged to be part of man s everyday nourishment in life Messages of listening to your faith illustrate to readers they must remain aware of the beauty in life and living in God s image Gay then provides a lighter humorous look at life as he debates on the actions of the young versus the old the art of wooing and the rollercoaster of emotions that life brings A more serious tone is introduced as he ponders more intellectual thoughts such as the evolution of man the building of civilizations and the actions of man in life The final four historical selections focus attention on the epic adventures of man throughout history The last poem in this collection gives direction for future generations who should always be striving for the good of all mankind

The Poetry of Touch Chris McAlister, 2023-02-14 Chris McAlister is currently one of the most prominent ambassadors of Shiatsu and the Asian way of life in the West In this comprehensive and easy to read book he takes the reader on a journey right into the heart of Oriental medicine and how it overlaps with modern Western science and philosophy His profound knowledge and experience are conveyed by stories peppered with personal experiences case studies and anecdotes Sometimes poetic and sometimes straight from the heart he explains how energy manifests itself whether it is the Five Spirits the I Ching or Traditional Chinese Medicine In *The Poetry of Touch* the author offers the reader a look into the perspective of a practitioner who has spent most of his life exploring the ins and outs of East Asian Medicine Given his grounding in shiatsu he naturally comes from a place of highly valuing the art of touch in the practice of traditional medicine He shares anecdotes and wisdom from a long and circuitous journey in East Asian Medicine He references the classics especially the Yijing the Book of Changes the primary source for Chinese philosophy and worldview Unraveling the symbols and images that are foreign to westerners but imbedded in the collective unconscious he lays out the implications of this foundational text in the practice of medicine Chris unpacks the healing arts of Oriental Medicine with respect and a genuine feeling for what is essential and in so doing refreshes it and paves the way for the next generation of practitioners Chris honors the diversity and full depth of East Asian medicine Not just as a monolith of ancient knowledge but as a living breathing truth that has to be rediscovered in the life and practice of each practitioner This is a brilliant example of the path of mastery which we are all on every time we consciously choose to cultivate this living tradition

Poetry of Hadewijch

Hadewijch, Marieke J. E. H. T. van Baest, 1998 The Stanzaic Poems written by Hadewijch of Antwerp in the 13th century are a body of 45 lyrical poems in stanzas They are daring God talk in the guise of courtly love songs Hadewijch uses the linguistic style of chivalry but her poems are by no means courtly poetry She shifts the current meaning of chivalry by transferring its context to a field of meaning focused on God Because of the view of Minne love that is embodied in them the Stanzaic Poems are an exponent of the age old tradition of women s songs of which the Song of Songs is the best known example and as such they are an expression of a particular manner of keeping company with God they celebrate a relationship of mutuality

between partners equivalent in love An introductory essay highlights some of the striking points of lovers the raging desire of orewoet the gentility of humankind s origin This essay is followed by a rendering of the Stanzaic Poems from Middle Dutch into Modern English prose With an introduction by Edward Schillebeeckx Metamodernism and Contemporary British Poetry Antony Rowland,2021-10-07 Introduction Contemporary British Poetry and Enigmaticalness Continuing Poetry Wars in Twenty First Century British Poetry Committed and Autonomous Art Iconoclasm and Enigmatical Commitment The Double Consciousness of Modernism Conclusion **The Village Curate, a Poem ... A New and Improved Edition Being the Fourth, Etc. By James Hurdis** James Hurdis,1808 **Forms of Modernity** Rachel Schmidt,2011-04-09 It s a critical clich that Cervantes Don Quixote is the first modern novel but this distinction raises two fundamental questions First how does one define a novel And second what is the relationship between this genre and understandings of modernity In Forms of Modernity Rachel Schmidt examines how seminal theorists and philosophers have wrestled with the status of Cervantes masterpiece as an exemplary novel in turn contributing to the emergence of key concepts within genre theory Schmidt s discussion covers the views of well known thinkers such as Friedrich Schlegel Jos Ortega y Gasset and Mikhail Bakhtin but also the pivotal contributions of philosophers such as Hermann Cohen and Miguel de Unamuno These theorists examinations of Cervantes s fictional knight errant character point to an ever shifting boundary between the real and the virtual Drawing from both intellectual and literary history Forms of Modernity richly explores the development of the categories and theories that we use today to analyze and understand novels
