

## PAGE 1

The last section (Section 5) of the page is to provide details about any pedestrians who were involved in the collision. This is where you can find the name and contact information of the pedestrian; their injury status; their location when they were struck; up to three selections to describe the pedestrian's actions at the time of the collision; and any contributing circumstances to the accident by the pedestrian. Each code used in this section is defined at the top of Page 5 in Section B.
