Hold Fast Olivia Rigal, Shannon Macallan, ONE NEEDS TO BE RESCUED THE OTHER NEEDS TO BE SAVED Sean When I was a SEAL I had one rule HOLD FAST Those two words kept me alive through years of war but they couldn't save all my brothers in arms and they couldn't save my career Now I'm home back in the world with more nightmares and scars than ten men should have and the only woman who can make me whole again is missing I don't care where she is or who has her There is nothing I won't do to find her and bring her home To me Courtney I'm trapped and there's no way out I need to escape this cult and leave this hell behind but I can't do it alone I knew the Church of the New Revelation was a bad idea when my mother brought me here but I didn't know how bad I'm a prisoner and this noose draws tighter around my neck every day There's only one bright spot in my life only one man who could save me He's the only man I've ever loved but he left me behind when he enlisted all those years ago Sean where are you Chaser Olivia Rigal, 2015-10-06 We roll together He takes total control leading us both to the place he wants us I call out his name again and again He silences me with a kiss and presses himself against me I love that weight on me I love his strong thumping heartbeat against my chest my own seeming to match it I love his lips on my temple and the sweet nothings he whispers in my ear The man has conquered my body but that isn't all When people inevitably bring up my weight I usually tell them that as far as that's concerned I've thrown in the towel and picked up the napkin In my little Floridian town of Defiance I used to get my share of attention but I always kept my distance from the types of men who visited the diner I work at I knew well enough that playing it safe meant not turning my heart over to one of the long haul truckers who rumbled through town I'm just not cut out for that kind of life no good at waiting Nobody warned me that saving my heart would also mean keeping my eyes off the sexy members of the Category Five Knights the new Motorcycle Club that rolled into Defiance **Stone Cold** Olivia Rigal, 2014-04-01 Brian Hatcher has a lot of nerve I thought I'd never see his face again He left the police force to join the Iron Tornadoes the very gang my brother was investigating I hate him I should hate him I want to hate him He has turned his back on everything he used to stand for Yet I want him even though he's turned into a stone cold biker Keywords ebook romance romance ebook romance book new adult New adult alpha male Multicultural motorcycle club interracial bikers romance MC mystery adventure motorbikes action suspense outlaw riders Harley Davidson love sex sexy romantic iron tornadoes patched thriller secrecy crew second chance conflicted college law school graduate small town racy killer murder death amateur female Florida conspiracy Stone Cold Olivia Rigal, 2014-03-31 Brian Hatcher has a lot of nerve I thought I'd never see his face again He left the police force to join the Iron Tornadoes the very gang my brother was investigating I hate him I should hate him I want to hate him He has turned his back on everything he used to stand for Yet I want him even though he's turned into a stone cold biker *Cold* Olivia Rigal, 2016-04-25 Stone Cold Cold Burn Cold Fusion Stone Cold Brian Hatcher has a lot of nerve I thought I'd never see his face again He left the police force to join the Iron Tornadoes the very gang my brother was
