Stoner With A Boner It S A Long Story:

Stoner with a Boner Kathleen K,2011-09-07 Stoner with a boner It s a Long Story is a pot centric sexotic bedside reader for the adult mind KIRKUS REVIEW Written in a loose free wheeling prose that mimics the narrator s lifestyle the story glides from woman to woman and bong hit to bong hit without the burdens of plot or conflict a memorable sexual escapade by Kirkus Reviews Dec 2012 This fictional memoir is presented as a rambling narrative thoughtful and funny If this is a guy you know this part of his life is on the down low not hidden not advertised It just is Like his luck with the ladies a sacred element in his life not to be squandered reliving on the job and vice versa In retrospect we share his days of work and play A grocer A pot head Lover and friend The language is tart and specific when it isn t wandering off toward reveries of the good old days You re hearing the words of a grown stoner an otherwise upright citizen keeping his counterculture perspective alive one doobie at a time It s a long story the way he tells it The sex has been steamy which makes for explicit recollections He s a fan of the female drawn to them as equals equally interested equally involved equally independent He s not dangling a more complex relationship than the one he offers in the here and now there and then He s careful to learn their names Trixie Belle Bronwyn Siobhan He thought he liked little lean blondes until he had his eye lids peeled back by a tall redhead He s not a user he doesn t have to slink out the back door of a bar because somebody walked in the front door He doesn t trick women into bed it s more a matter of knowing It is what it is not what it was not what it ought to be not what it might be It is what it is until it isn t KathleenK xxx for the rowdier reader

The Wendy Trilogy (Boxed Set) Stephen King,Richard Chizmar,2025-02-18 The complete omnibus

collection of the New York Times bestselling trilogy from Stephen King and Richard Chizmar In *Gwendy's Button Box* twelve year old Gwendy Peterson's life is forever changed when she is given a mysterious wooden box by a stranger for safekeeping It offers enticing treats and vintage coins but he warns her that if she presses any of the box's beautifully colored buttons death and destruction will follow Years later in *Gwendy's Magic Feather* she's a successful novelist with a promising future in politics But when the button box suddenly reappears in her life she must decide if she is willing to risk everything for its temptations And in the thrilling conclusion *Gwendy's Final Task* evil forces seek to possess the button box and it is up to Senator Gwendy Peterson to keep it from them at all costs But where can one hide something so destructive from such powerful entities

Rust Belt Refugee Richard Hibshman, This book should interest a wide spectrum of readers For the younger ones it will give them an up close and unblemished look at life as it was for people of their grandparents era For the older reader it can provide a true reflection of the way they lived their lives as young Americans back in the 1950s and 1960s in the post World War II era Every section of our country went through the change or even shutdown of some essential industrial economy depending on where they lived Whether it was iron and steel coal mines manufacturing the auto industry etc This creeping demise of hundreds of thousands of jobs and family incomes forced hard choices for the current and future plans for millions of workers and their families They forced styles of living and even behaviors to change due to these hardships To those forced to live this way it was not odd or perverted it was the new normal The reader must not be too quick to judge the people of these times and places for their behavior Some inhabitants of these times saw no chance to escape this existence others tried to leave and were drawn back many times as I was but a few others could finally avoid the rust belt magnet and move into a new lifestyle through hard work and sheer determination There were few advantages to living in the type of existence I grew up in and describe in this book but after breaking free you knew if you had a choice it is not something you would want to experience a second time Congressional Record United States.
