Stories from the Edge Greg Garrett, 2008-01-01. Where is God in the midst of suffering? How do people find strength and comfort in times of terrible adversity? Award-winning writer Greg Garrett addresses these questions and others as he helps readers grapple with the question of where God can be found in times of tragedy. He explores the theological themes of biblical stories and American myths and discusses how these stories have shaped our beliefs about God. He further examines what these foundational narratives reveal about our understanding of God, how they inform how we live our lives, and how we experience God's presence in the midst of grief and suffering. This well-written volume is engaging reading for clergy, chaplains, pastoral counselors, and all who must find the courage and faith to support individuals and families in times of suffering and grief.

Real Happiness, Real Stories. The Elusive Cloud 10 Lyn Ashmore, Denise Robinson, 2015. There are numerous books on happiness; this book is somewhat different. It relates the Real Stories of individuals who have experienced much pain in their lives and found a turning point. They reflect on their tragedies and misfortunes and how, despite all the difficulties, they found a way through. They express their understanding of happiness through these experiences. The book explores how we see happiness as fantasy and elusive but how, in the end, the reality of happiness is much more achievable. The use of illustrations, cartoons, exercises, and activities are practical and easy to do, which makes this a highly accessible and supportive book.
