Richard Bozarth, 2014-10-01 In 1947 Dr Sebeos Papias discovered the Terminally Ill Sea Scrolls in the same month the Dead Sea Scrolls were found The Dead Sea Scrolls became internationally famous but the Terminally Ill Sea Scrolls were consigned to obscurity along with their discoverer Dr Papias who endured decades of ego bruising neglect provides translations of well known Old Testament stories which he insists are the most authentic versions of the stories because the Jewish eschatological cult that created the Scrolls claimed that they were These stories are more fully developed than in the Old Testament and are humorous though some parts are appalling because Bible stories often are appalling

Queering the Middle Ages Glenn Burger, Steven F. Kruger, 2001 The essays in this volume present new work that in one way or another queers stabilized conceptions of the Middle Ages allowing us to see the period and its systems of sexuality in radically different off center and revealing ways While not denying the force of gender and sexual norms the authors consider how historical work has written out or over what might have been non normative in medieval sex and culture and they work to restore a sense of such instabilities At the same time they ask how this pursuit might allow us not only to reenvision medieval studies but also to rethink how we study culture from our current set of vantage points within postmodernity The authors focus on particular medieval moments Christine de Pizan's representation of female sexuality chastity in the Grail romances the illustration of the sodomite in manuscript commentaries on Dante's *Commedia* the complex ways that sexuality inflected English national politics at the time of Edward II's deposition the construction of the sodomitic Moor by Reconquista Spain Throughout their work seeks to disturb a logic that sees the past as significant only insofar as it may make sense for and of a stabilized present *Story of Rolf and the Viking Bow* Allen French, 1994-08-01 Rolf son of Hiarandi the Unlucky is a character who exemplifies the effect of Christ's teachings upon the Icelandic people during their heroic age The book is set in Iceland in the days when Christianity has come to the island though the old

customs still linger Hiarandi at the urging of his wife does an unprecedented thing he lights a signal fire on a dangerous point of his land thereby challenging the accepted custom which places lucrative salvage at higher value than the saving of life However the life that is saved that night causes his own death and the unjust outlawing of his son Rolf Rolf's response to this injustice creates a suspenseful thought provoking tale difficult to put down *The Oral History Reader* Robert Perks, Alistair Thomson, 1998 Arranged in five thematic parts The Oral History Reader covers key debates in the post war development of oral history **Hey, It's Only a Story** Hamilton B. Bowman, 2011-09-30 *Ama, a Story of the Atlantic Slave Trade* Manu Herbstein, 2018-01-05 I am a human being I am a woman I am a black woman I am an African Once I was free then I was captured and became a slave but inside me here and here I am still a free woman During a period of four hundred years European slave traders ferried some 12 million enslaved Africans across the Atlantic In the Americas teaching a slave to read and write was a criminal offense When the last slaves gained their freedom in Brazil barely a thousand of them were literate Hardly any stories of the enslaved and transported Africans have survived This novel is an attempt to recreate just one of those stories one story of a possible 12 million or more Lawrence Hill created another in *The Book of Negroes* Someone Knows my Name in the U S and more recently Yaa Gyasi has done the same in *Homegoing* Ama occupies center stage throughout this novel As the story opens she is sixteen Distant drums announce the death of her grandfather Her family departs to attend the funeral leaving her alone to tend her ailing baby brother It is 1775 Asante has conquered its northern neighbor and exacted an annual tribute of 500 slaves The ruler of Dagbon dispatches a raiding party into the lands of the neighboring Bekpokpam They capture Ama That night her lover Itsho leads an attack on the raiders camp The rescue bid fails Sent to collect water from a stream Ama comes across Itsho's mangled corpse For the rest of her life she will call upon his spirit in time of need In Kumase the Asante capital Ama is given as a gift to the Queen mother When the adolescent monarch Osei Kwame conceives a passion for her the regents dispatch her to the coast for sale to the Dutch at Elmina Castle There the governor Pieter de Bruyn selects her as his concubine dressing her in the elegant clothes of his late Dutch wife and instructing the obese chaplain to teach her to read and write English De Bruyn plans to marry Ama and take her with him to Europe He makes a last trip to the Dutch coastal outstations and returns infected with yellow fever On his death his successor rapes Ama and sends her back to the female dungeon Traumatized her mind goes blank She comes to her senses in the canoe which takes her and other women out to the slave ship *The Love of Liberty* Before the ship leaves the coast of Africa Ama instigates a slave rebellion It fails and a brutal whipping leaves her blind in one eye The ship is becalmed in mid Atlantic Then a fierce storm cripples it and drives it into the port of Salvador capital of Brazil Ama finds herself working in the fields and the mill on a sugar estate She is absorbed into slave society and begins to adapt learning Portuguese Years pass Ama is now totally blind Clutching the cloth which is her only material link with Africa she reminisces dozes falls asleep A short epilogue brings the story up to date The consequences of the slave trade and slavery are still with us Brazilians of

African descent remain entrenched in the lower reaches of society enmeshed in poverty This is story telling on a grand scale writes Tony Sim es da Silva In Ama Herbstein creates a work of literature that celebrates the resilience of human beings while denouncing the inscrutable nature of their cruelty By focusing on the brutalization of Ama s body and on the psychological scars of her experiences Herbstein dramatizes the collective trauma of slavery through the story of a single African woman Ama echoes the views of writers historians and philosophers of the African diaspora who have argued that the phenomenon of slavery is inextricable from the deepest foundations of contemporary western civilization Ama a Story of the Atlantic Slave Trade won the 2002 Commonwealth Writers Prize for the Best First Book Slavery and Crime in Missouri, 1773-1865 Harriet C. Frazier,2001-01-01 Slavery and its lasting effects have long been an issue in America with the scars inflicted running deep This study examines crimes such as stealing burglary arson rape and murder committed against and by slaves with most of the author s information coming from handwritten court records and newspapers These documents show the death penalty rarely applied when a slave killed another slave but that it always applied when a slave killed a white person Despite Missouri s grim criminal justice system the state s best lawyers were called upon to represent slaves in court on serious criminal charges and federal law applied to all persons granting slaves in Missouri protection that few other slave states had By 1860 Missouri s population was only 10 percent slave the smallest percentage of any slave state in America

In the Presence of Power Maurice A. Pomerantz,Evelyn Birge Vitz,2017-12-05 Insights into power spectacle and performance in the courts of Middle Eastern rulers In recent decades scholars have produced much new research on courtly life in medieval Europe but studies on imperial and royal courts across the Middle East have received much less attention particularly for courts before 1500AD In the Presence of Power however sheds new light on courtly life across the region This insightful exploratory collection of essays uncovers surprising commonalities across a broad swath of cultures The pre modern period in this volume includes roughly seven centuries opening with the first dynasty of Islam the Umayyads whose reign marked an important watershed for Late Antique culture and closing with the rule of the so called gunpowder empires of the Ottomans and Safavids over much of the Near East in the sixteenth century In between this volume locates similarities across the Western Medieval Byzantine and Islamicate courtly cultures spanning a vast history and geography to demonstrate the important cross pollinations that occurred between their literary and cultural legacies This study does not presume the presence of one shared courtly institution across time and space but rather seeks to understand the different ways in which contemporaries experienced and spoke about these places of power and performance Adopting a very broad view of performances In the Presence of Power includes exuberant expressions of love in Arabic stories shadow plays in Mamluk Cairo Byzantine storytelling religious food traditions in Christian Cyprus advice and political and ethnographic performances of power *Roman Sexualities* Judith P. Hallett,Marilyn B. Skinner,1997-12-28 In many cases the authors show how these roles could be inverted in ways that revealed citizens anxieties during the days of the early Empire when

traditional power structures seemed threatened *Sold By My Father* Ruth Jonah,2023-02-24 Ette was particularly a nobody to his people at home He was a truant outlaw who was inlove with his sister and wanted no one else Time and again he was warned to repent He never did until he was sold by his father Ette tried to escape but each escape landed him into another ditch He got to taste the bitterness of slavery What was he to do He must pull the bull by its horns and return to make amends Like the prodigal son he was he chose to repent **Slave of Desire** Daniel E. Beaumont,2002 Slave of Desire through its analyses of various stories reveals The 1001 Nights to be a very different sort of work a sophisticated and subtle piece of literature that can provoke and disturb as much as it entertains and amuses **The Palgrave Handbook of Global Slavery throughout History** Damian A. Pargas,Juliane Schiel,2023-06-14 This open access handbook takes a comparative and global approach to analyse the practice of slavery throughout history To understand slavery why it developed and how it functioned in various societies is to understand an important and widespread practice in world civilisations With research traditionally being dominated by the Atlantic world this collection aims to illuminate slavery that existed in not only the Americas but also ancient medieval North and sub Saharan African Near Eastern and Asian societies Connecting civilisations through migration warfare trade routes and economic expansion the practice of slavery integrated countries and regions through power based relationships whilst simultaneously dividing societies by class race ethnicity and cultural group Uncovering slavery as a globalising phenomenon the authors highlight the slave trading routes that crisscrossed Africa helped integrate the Mediterranean world connected Indian Ocean societies and fused the Atlantic world Split into five parts the handbook portrays the evolution of slavery from antiquity to the contemporary era and encourages readers to realise similarities and differences between various manifestations of slavery throughout history Providing a truly global coverage of slavery and including thematic injections within each chronological part this handbook is a comprehensive and transnational resource for all researchers interested in slavery the history of labour and anthropology *Appalling Bodies* Joseph A. Marchal,2020 The letters of Paul are among the most commonly cited biblical texts in ongoing cultural and religious disputes about gender sexuality and embodiment Appalling Bodies reframes these uses of the letters by reaching past Paul toward other far more fascinating figures that appear before after and within the letters The letters repeat ancient stereotypes about women eunuchs slaves and barbarians in their Roman imperial setting each of these overlapping groups were cast as debased dangerous and complicated Joseph Marchal presents new ways for us to think about these dangers and complications with the help of queer theory Appalling Bodies juxtaposes these ancient figures against recent figures of gender and sexual variation in order to defamiliarize and reorient what can be known about both The connections between the marginalization and stigmatization of these figures troubles the history ethics and politics of biblical interpretation Ultimately Marchal assembles and reintroduces us to Appalling Bodies from then and now and the study of Paul s letters may never be the same Islamic Jihad M. A. Khan,2009 The attacks of September 11 2001 changed the way the world looks at

Islam And rightfully so according to M A Khan a former Muslim who left the religion after realizing that it is based on forced conversion imperialism and slavery the primary demands of Jihad commanded by the Islamic God Allah In this groundbreaking book Khan demonstrates that Prophet Muhammad meticulously followed these misguided principles and established the ideal template of Islamic Jihad for his future followers to pursue and that Muslims have been perpetuating the cardinal principles of Jihad ever since Find out the true nature of Islam particularly its doctrine of Jihad and what it means to the modern world and also learn about The core tenets of Islam and its history The propagation of Islam by force and other means Islamic propaganda Arab Islamic imperialism Islamic slavery and slave trade And much more The commands of Allah are perpetual in nature so are the actions of Prophet Muhammad Jihad has been the way to win converts to Islam since its birth fourteen centuries ago and it won t change anytime soon Find out why in Islamic Jihad

Castration and Culture in the Middle Ages Larissa Tracy,2013 Essays exploring medieval castration as reflected in archaeology law historical record and literary motifs Castration and castrati have always been facets of western culture from myth and legend to law and theology from eunuchs guarding harems to the seventeenth and eighteenth century castrati singers Metaphoric castration pervades a number of medieval literary genres particularly the Old French fabliaux exchanges of power predicated upon the exchange or absence of sexual desire signified by genitalia but the plain literal act of castration and its implications are often overlooked This collection explores this often taboo subject and its implications for cultural mores and custom in Western Europe seeking to demystify and demythologize castration Its subjects include archaeological studies of eunuchs historical accounts of castration in trials of combat the mutilation of political rivals in medieval Wales Anglo Saxon and Frisian legal and literary examples of castration as punishment castration as comedy in the Old French fabliaux the prohibition against genital mutilation in hagiography and early modern anxieties about punitive castration enacted on the Elizabethan stage The introduction reflects on these topics in the context of arguably the most well known victim of castration in the middle ages Abelard LARISSA TRACY is Associate Professor of Medieval Literature at Longwood University Contributors Larissa Tracy Kathryn Reusch Shaun Tougher Jack Collins Rolf H Bremmer Jr Jay Paul Gates Charlene M Eska Mary A Valante Anthony Adams Mary E Leech Jed Chandler Ellen Lorraine Friedrich Robert L A Clark Karin Sellberg Lena W nggren

Women and Slaves in Greco-Roman Culture Sandra R. Joshel,Sheila Murnaghan,2005-08-12 Women and Slaves in Classical Culture examines how ancient societies were organized around slave holding and the subordination of

women to reveal how women and slaves interacted with one another in both the cultural representations and the social realities of the Greco Roman world The contributors explore a broad range of evidence including the mythical constructions of epic and drama the love poems of Ovid the Greek medical writers Augustine s autobiography a haunting account of an unnamed Roman slave the archaeological remains of a slave mining camp near Athens They argue that the distinctions between male and female and servile and free were inextricably connected This erudite and well documented book provokes questions about how we can hope to recapture the experience and subjectivity of ancient women and slaves and addresses the ways in which femaleness and servility interacted with other forms of difference such as class gender and status *Women and Slaves in Classical Culture* offers a stimulating and frequently controversial insight into the complexities of gender and status in the Greco Roman world
