*The Principles of Ethical Youth Coaching* Justin E. Mayer, 2012-02-17 Coaches Would you like to coach your players in an ethical environment where you are developing the character of your players while sti ll being competi ti ve Parents Would you like your son or daughter coached in a safe environment where they will be able to develop life skills that will maximize their performance in areas outside of sports like educati on The Principles of Ethical Youth Coaching provides the answers The reality of sports is that very few athletes ever make it to the highest level of a given sport Yet the training resources off ered to youth coaches focus almost exclusively on strategies to promote winning The techniques advocated by these training programs may be acceptable for professional athletes however they are not acceptable for youth athletes The overwhelming focus on winning causes coaches to miss opportuniti es to promote character development skills in their players When if at all ethical player development skills are brought up in these

programs it is done so in passing and no concrete strategies are offered. On the other hand, some well-intentioned programs seek to eliminate winning from the equation. This is not a realistic approach as winning is a fundamental aspect of sports and it must be embraced in the appropriate manner. The Principles of Ethical Youth Coaching shows coaches how to develop the character of their players while embracing the competitive nature of sports.

*Coaching Youth Baseball the Ripken Way* Cal Ripken, Jr., Bill Ripken, Scott Lowe, 2006-12-15 Coaching young players developing their skills and cultivating a love for the sport may be the most rewarding experience baseball can offer. Cal and Bill Ripken understand this like few others. From their father Cal Sr, a legend in the Baltimore Orioles organization for 37 years, they learned to play the game the right way. Those lessons paired with their combined 33 years of big league experience helped develop the Ripken Way, a method of teaching the game through simple instruction, solid explanations, encouragement, and a positive atmosphere. In *Coaching Youth Baseball the Ripken Way*, Cal and Bill share this approach to coaching and development. Whether you're teaching your children at home, managing the local travel team, or working with high school level players, *Coaching Youth Baseball the Ripken Way* will help you make a difference both on and off the field with these features:

- More than 50 drills covering defense, hitting, pitching, and baserunning.
- Age-specific practice plans for players ranging from 4 to 15.
- Strategies for setting goals and reasonable expectations for your players and team.
- Advice on communicating with parents, players, and staff.
- Methods for creating a positive and fun environment in which kids can learn the skills and strategies of the game.

Bill Ripken was once voted by his peers as one of the big league players most likely to become a manager. Cal Ripken Jr., known as baseball's Iron Man, is a member of the game's All-Century Team and a future Hall of Famer. Together, they are proof positive that the Ripken Way is the right way to teach the game of baseball.
