Allow only persons who fully understand this manual to operate your pole pruner.

To receive maximum performance and satisfaction from your STIHL pole pruner, it is important that you read, understand and follow the safety precautions and the operating and maintenance instructions in chapter "Safety Precautions and Working Techniques" before using your pole pruner. For further information you can go to www.stihlusa.com.

Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this manual.

WARNING

Because a pole pruner is a high-speed, fast-cutting power tool with a very long reach, special safety precautions must be observed to reduce the risk of personal injury. Careless or improper use may cause serious or even fatal injury.
