Only a truly brilliant writer like herself could have accomplished it. Now a critically acclaimed author of multiple books, Quindlen is enjoying the liberties of story telling. In *Still Life with Bread Crumbs*, for example, she gets to explore and challenge both social standings and aging; she even makes sure the novel's dog gets a voice. Throughout the novel, she also reveals to readers the difficulties and insecurities of professional artists, what they experience, think about, and struggle with. *Still Life with Bread Crumbs* is charming and comical but also quite thought provoking; it beautifully illustrates Quindlen's personality, writing style, and wit.
