DeLamotte, 2016-11-11 Alice Walker has described the Barbadian American novelist Paule Marshall as unequaled in intelligence vision craft by anyone of her generation to put her contributions to our literature modestly Such praise has echoed through reviews and analyses of Marshall s work since the 1959 publication of *Brown Girl Brownstones* a novel followed by *The Chosen Place the Timeless People* 1969 *Praisesong for the Widow* 1984 and *Daughters* 1991 *Places of Silence Journeys of Freedom* is the first study of Paule Marshall s work to focus explicitly on her contribution to feminism It is also the first to identify one of her original contributions to narrative art a technique of superimposition or double exposure through which her books have explored topics now at the heart of feminist debate Centered around the subject of voice and silence these issues include the interrelation between women s power and powerlessness the interpenetration of the political and economic world with the world of the psyche and the mechanisms through which oppressions on the basis of race class and gender operate as mutually shaping forces **A Woman's Courier** William Joseph Yeoman, 1896 **My Father's Quest** Carmen Corrales Konneker, 2009 In the early 1900s in rural Mexico a father and mother are taken from their children in a tragic accident The four small children lose everything their home their friends and all their belongings and are placed in an orphanage by an uncaring distant relative The oldest child Daniel is only eight years old but he is determined to protect his younger brother and two sisters as he promised by his father s grave When the siblings are separated Daniel begins a quest to reunite his family that spans years and borders trying to bring them together once more This is the story as told to his daughter Carmen who wrote it with love Back cover Library of Famous Fiction: Phillips, Watts.
