*Stone's River* Vance Wilson J,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Stone's River, the Turning-point of the Civil War* Wilson J. Vance,1914

**Stone's River: The Turning-Point of the Civil War** Wilson J. Vance,2019-12-20 In *Stone s River The Turning Point of the Civil War* Wilson J Vance offers a meticulous analysis of the pivotal Battle of Stone s River which raged from December 31 1862 to January 2 1863 Vance employs a narrative style that blends rigorous historical research with evocative storytelling immersing readers in the chaos and valor of Civil War combat The book situates the battle within the broader context of the Civil War illustrating how the Union s hard won victory not only bolstered Northern morale but also shifted strategic momentum in the Western Theater Through vivid descriptions and thorough examination of contemporary accounts Vance captures the complexities and consequences of this crucial engagement Wilson J Vance a noted Civil War historian and passionate educator draws upon decades of scholarly research and firsthand accounts to inform his narrative His extensive background in military history and his deep appreciation for the socio political dynamics of the era have shaped his insightful perspectives Vance s commitment to illuminating lesser known battles provides readers with a nuanced understanding of how individual conflicts influenced the overall trajectory of the war This book is an essential read for anyone seeking to grasp the intricacies of the Civil War offering fresh insights into a battle that often sits in the shadow of more renowned encounters Vance s scholarship not only serves history enthusiasts but also invites casual readers to engage with the profound implications of Stone s River making it a rewarding addition to any library *Stone's River* Wilson Vance,2015-04-04 *Stone s River The Turning Point of the Civil War* is an overview of the famous battle written by a soldier who fought there

**Stone's River** Wilson J Vance,2020-01-30 Confederate enterprise energy and expectation were at the zenith in 1862 No other year saw the South with so promising prospects with plans of campaign so bold with such resources both latent and developed Her armies were at their fullest strength for the flower of her youth had not yet been destroyed in battle Want and hunger had not yet begun to chill the hearts of her people Her political machinery under the direction of able leaders had been skillfully adjusted to the needs of the new nation and was now working smoothly and effectually There had indeed come a change of sentiment in the Southland That boastful and flatulent spirit the spirit that contemptuously slurred the strength and courage of the foe and counted upon an easy victory was gone In its place was a temper far more formidable The South realized now that before it was a task of greatest magnitude but her people rose to it in a spirit of splendid sacrifice and with high stern resolutio *Stones River* Wilson J. Vance,1982-12-01 *Stone's River* Wilson Vance,2020-03-11 Confederate

enterprise energy and expectation were at the zenith in 1862 No other year saw the South with so promising prospects with plans of campaign so bold with such resources both latent and developed Her armies were at their fullest strength for the flower of her youth had not yet been destroyed in battle Want and hunger had not yet begun to chill the hearts of her people Her political machinery under the direction of able leaders had been skillfully adjusted to the needs of the new nation and was now working smoothly and effectually There had indeed come a change of sentiment in the Southland That boastful and flatulent spirit the spirit that contemptuously slurred the strength and courage of the foe and counted upon an easy victory was gone In its place was a temper far more formidable The South realized now that before it was a task of greatest magnitude but her people rose to it in a spirit of splendid sacrifice and with high stern resolutio

Stones River Wilson J Vance, 2014-08-07 This Is A New Release Of The Original 1914 Edition *Stones River* James Lee McDonough, 2024-08-09

On December 31 1862 some ten thousand Confederate soldiers streamed out of the dim light of early morning to stun the Federals who were still breakfasting in their camp Nine months earlier the Confederates had charged the Yankees in a similarly devastating attack at dawn starting the Battle of Shiloh By the time this new battle ended it would resemble Shiloh in other ways it would rival that struggle s shocking casualty toll of 24 000 and it would become a major defeat for the South By any Civil War standard Stones River was a monumental bloody and dramatic story Yet until now it has had no modern documented history Arguing that the battle was one of the significant engagements in the war noted Civil War historian James Lee McDonough here devotes to Stones River the attention it has long deserved Stones River at Murfreesboro Tennessee was the first big battle in the Federal campaign to seize the Nashville Chattanooga Atlanta corridor Driving eastward and southward to sea the campaign eventually climaxed in Sherman s capture of Savannah in December 1864 At Stones River the two armies were struggling desperately for control of Middle Tennessee s railroads and rich farms Although they fought to a tactical draw the Confederates retreated The battle s outcome held significant implications For the Union the victory helped offset the disasters suffered at Fredericksburg and Chickasaw Bayou Furthermore it may have discouraged Britain and France from intervening on behalf of the Confederacy For the South the battle had other crucial effects Since it convinced many that General Braxton Bragg could not successfully command an army Stones River left the Southern Army torn by dissension in the high command and demoralized in the ranks One of the most perplexing Civil War battles Stones River has remained shrouded in unresolved questions After driving the Union right wing for almost three miles why could the Rebels not complete the triumph Could the Union s Major General William S Rosecrans have launched a counterattack on the first day of the battle Was personal tension between Bragg and Breckenridge a significant factor in the events of the engagement s last day McDonough uses a variety of sources to illuminate these and other questions Quotations from diaries letters and memoirs of the soldiers involved furnish the reader with a rare soldier s eye view of this tremendously violent campaign Tactics strategies and commanding officers are examined to reveal how personal strengths

and weaknesses of the opposing generals Bragg and Rosecrans shaped the course of the battle Vividly recreating the events of the calamitous battle Stones River Bloody Winter in Tennessee firmly establishes the importance of this previously neglected landmark in Civil War history

**The Cavalries at Stones River** Dennis W. Belcher,2017-05-08 At the Battle of Stones River General David Stanley s Union cavalry repeatedly fought General Joseph Wheeler s Confederate cavalry The campaign saw some of the most desperately fought mounted engagements in the Civil War s Western Theater and marked the end of the Southern cavalry s dominance in Tennessee This history describes the events leading up to the battle and the key actions including the December 31 attack by Wheeler s cavalry the Union counterattack the repulse of General John Wharton by the 1st Michigan Engineers and Wheeler s daring raid on the rear of Williams Rosecrans army The author reassesses the actions of General John Pegram s cavalry brigade

**A Historical Memoir of the Civil War: A Military Narrative** Pasquale De Marco,2025-08-11 A Historical Memoir of the Civil War A Military Narrative offers a comprehensive and engaging exploration of one of the most pivotal events in American history Through detailed analysis of primary sources historical accounts and expert insights this volume provides a nuanced understanding of the Civil War s causes events and lasting legacy Spanning the years from 1861 to 1865 the Civil War pitted the Union against the Confederate states resulting in a bloody conflict that tested the nation s very foundations This book delves into the complex causes of the war including the issue of slavery economic disparities political power struggles and cultural clashes The narrative follows the course of the war highlighting key battles and campaigns that shaped its outcome From the Battle of Gettysburg to the Siege of Vicksburg the book provides a detailed account of the strategies tactics and personalities that influenced the conflict Beyond the battlefield the book examines the war s impact on the home front It explores the social economic and political transformations that occurred during this tumultuous period including the abolition of slavery the strengthening of the federal government and the challenges of Reconstruction The Civil War left an indelible mark on the United States and this book delves into its lasting legacy It analyzes the war s impact on the nation s identity its politics and its ongoing struggles for equality and justice A Historical Memoir of the Civil War A Military Narrative is an essential resource for anyone seeking a deeper understanding of this transformative event in American history Whether you are a student a scholar or simply someone fascinated by the Civil War this book provides a comprehensive and engaging exploration of its causes events and lasting legacy If you like this book write a review

**The Third Ohio Volunteer Infantry in the Civil War** David D. Perry,2024-11-07 During three years of the Civil War Colonel John Beatty of the Third Ohio Volunteer Infantry Regiment dealt with drunkenness desertion insubordination and mutiny and at one point tied a drunken mutineer to a tree until the man sobered up He didn t shoot or dismiss the man because everyone was needed for service This emblematic event and many others are detailed in this history illustrating how the Third Ohio experienced combat on the battlefield as well as on the campgrounds of Virginia Alabama Kentucky and Tennessee Part of a brigade commanded by Colonel Abel Streight the

Third Ohio was charged with destroying the Confederate rail junction in Rome Georgia However Confederate General Nathan Bedford Forrest chased and fought the Third through Tennessee and Northern Alabama until exhaustion and wet ammunition forced the regiment to surrender to Forrest and his men on June 3 1863 This book presents in full context the Third Ohio's Civil War experience and includes a daily chronology of the regiment as well as a complete roster **Turning Points in the Civil War** Linda R. Wade, 2010-09 Discusses the battles that led up to the end of the Civil War *The American Civil War and Reconstruction* Britannica Educational Publishing, 2009-10-01 The American Civil War hit close to home as it pitted brother against brother Americans fighting one another to defend their differing beliefs Years of war were followed by a subsequent period of Reconstruction wherein the nation tried to piece itself back together in an uneasy political climate a trying time in American history This book focuses on the underlying causes important battles remembered personages and lasting outcomes of the Civil War through detailed information and supporting photos *Stone's River the Turning-Point of the Civil War* Wilson Vance, 2012-10-20 While many authorities were consulted in the preparation of this work particular acknowledgment is due John Formby's *The American Civil War* wherein was suggested the proposition that is here laid down and expanded to Van Horne's *History of the Army of the Cumberland* which gives the campaigns of that organization in minute detail to several of the papers and books of Charles Francis Adams documents that deal principally with the diplomacy of the Civil War and to the published and spoken words of the author's father the late Wilson Vance orderly to the brigade commander whose charge against orders turned defeat into victory in the battle here described The book grows out of a short article published in the Newark *Sunday Call* December 29 1912 an article that attracted considerable attention rather because of the novelty of the theory advanced than because of other merit It may be permissible to add that few persons comparatively conceive the bearing on the outcome of the Civil War of the campaigns and battles that took place beyond the Alleghenies There is more than one pretentious history which would lead a reader to suppose that all of the events of importance took place upon the Atlantic seaboard It does not diminish in the least either the merit or the renown of the armies that measured their strength in that confined arena to suggest that the movements that resulted in the transfer of the control over hundreds of thousands of square miles of territory territory that teemed with the fruits of the earth was taken in connection with the naval blockade a very considerable factor in the wearing down and final collapse of the Southern Confederacy WILSON J VANCE *Hell by the Acre* Daniel A. Masters, 2024-11-21 Explores the pivotal Stones River Campaign of 1862-1863 detailing the intense battles and firsthand accounts that turned the tide for the Union Army The waning days of 1862 marked a nadir in the fortunes of the Union After major defeats at Fredericksburg in Virginia and Chickasaw Bayou in Mississippi it fell to Maj Gen William S Rosecrans and his Army of the Cumberland to secure a victory that would give military teeth to the Emancipation Proclamation set to take effect on January 1 1863 Rosecrans moved his army out of Nashville on the day after Christmas to Murfreesboro met Gen Braxton Bragg's Army of

Tennessee and fought one of the largest and bloodiest battles of the war The full campaign with extensive new material and coverage is the subject of Daniel Masters new *Hell by the Acre A Narrative History of the Stones River Campaign* November 1862 January 1863 The opposing armies 44 000 men under Rosecrans and 37 000 under Bragg locked bayonets on December 31 1862 in some of the hardest fighting of the war Bragg s initial attack drove the Federals back nearly three miles captured 29 cannons and thousands of prisoners Somehow the Union lines held firm during the critical fighting along the Nashville Pike that afternoon against repeated determined attacks that left both armies bloodied and exhausted The decisive moment came two days later when in the fading afternoon of January 2 1863 Bragg launched an assault on an isolated Union division on the east bank of Stones River Once again the Confederates enjoyed initial success only to be repulsed by 58 Union guns arrayed along the west bank and a daring counterattack This repulse broke Bragg s hold on Murfreesboro He retreated the following night leaving Rosecrans and his army victors of the field Stones River was the quintessential soldiers battle Prior books focus more on the generalship and high level commands than the often forgotten men in the ranks Masters constructed his study from the ground up by focusing on the experiences of the front line troops through hundreds of archival and firsthand accounts many of which have never been published *Hell by the Acre* is an unparalleled soldier s view of Civil War combat and tactical command Stones River marked a turning point for Federal fortunes in the Western Theater and this fresh and original study sets forth the hefty cost of securing that victory for the Union

*Civil War In Focus* Pasquale De Marco,2025-05-08 The American Civil War was one of the most consequential conflicts in the history of the United States Fought between 1861 and 1865 the war pitted the Union composed of the northern states against the Confederacy composed of the southern states The war was fought over the issue of slavery with the Union seeking to preserve the Union and the Confederacy seeking to establish an independent nation based on slavery The war was a long and bloody conflict with over 600 000 soldiers killed The war also had a profound impact on the social and political fabric of the United States The war led to the abolition of slavery the strengthening of the federal government and the expansion of civil rights This book provides a comprehensive overview of the Civil War The book covers the causes of the war the major battles and the impact of the war on the United States The book also explores the lives of some of the key figures of the war including Abraham Lincoln Ulysses S Grant Robert E Lee and Stonewall Jackson The book is written in a clear and concise style making it accessible to a wide range of readers The book is also well researched and provides a balanced and objective account of the war This book is an essential resource for anyone who wants to learn more about the American Civil War The book provides a comprehensive overview of the war and is written in a clear and concise style The book is also well researched and provides a balanced and objective account of the war If you like this book write a review on google books

*The Thrill of Warfare: A Soldier's Recollections* Pasquale De Marco,2025-07-25 The Civil War was the most consequential event in American history It pitted brother against brother tore the country apart and left a legacy of bitterness and division

that persists to this day In this book Pasquale De Marco tells the story of the Civil War through the eyes of the ordinary soldiers who fought and died in the trenches Drawing on firsthand accounts from soldiers who served in the Union and Confederate armies Pasquale De Marco provides a glimpse into the daily lives of soldiers the horrors of war and the impact of the conflict on their lives The soldiers who fought in the Civil War were a diverse group of men They came from all walks of life and they had a variety of reasons for joining the army Some were motivated by patriotism while others were simply looking for adventure Some were driven by a desire to fight for freedom while others were simply trying to escape poverty Regardless of their reasons for joining the army the soldiers who fought in the Civil War shared a common experience They endured unimaginable hardships and they witnessed the horrors of war firsthand They saw their friends and comrades die and they were forced to kill in order to survive The Civil War was a brutal and bloody conflict and the soldiers who fought in it paid a heavy price But their experiences also helped to shape the course of American history The Civil War was a turning point in the nation s history and it helped to create the United States that we know today We owe a debt of gratitude to the soldiers who fought in the Civil War Their sacrifices made our country possible and their stories deserve to be told This book is a small step towards repaying that debt This book is a must read for anyone interested in the Civil War or American history It is a powerful and moving account of the experiences of the ordinary soldiers who fought and died in the conflict If you like this book write a review

*The Era of the Civil War--1820-1876* Louise A. Arnold-Friend,US Army Military History Institute,1982

**Turning Points of the American Civil War** Chris Mackowski,Kristopher D. White,2018 Although most Americans believe that the Battle of Gettysburg was the only turning point of the Civil War the war actually turned repeatedly Turning Points of the American Civil War examines key shifts and the context surrounding them demonstrating that the war was a continuum of watershed events
