novel collects the critically acclaimed five issue series in one volume and features a bonus section with Jim Butcher's original story outline sketchbook artwork from Carlos Gomez cover gallery with roughs from Stjepan Sejic and more Creator Commentary from Jim Butcher The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short story format and in graphic novels like this one War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels and I'm extremely pleased with how well it's coming out

European monster was the perfect vehicle for 19th century England's fear of outsiders and of disease seeping in through its large ports. In 1960s America the television show *Dark Shadows* gave us the morally conflicted vampire struggling against his own predatory nature who still enthralls us today. From Bram Stoker to Ann Rice from vampire detective thrillers to lesbian vampire fiction and from *Buffy the Vampire Slayer* to *Twilight* and *True Blood* *Vampires Are Us* explores the issues of power politics morality identity and even the fate of the planet that show up in vampire novels today. Perhaps Adler suggests our blood is oil perhaps our prey is the planet. Perhaps vampires are us.
