Serapis — Complete Georg Ebers, 2022-06-02 In *Serapis Complete* Georg Ebers crafts a riveting historical novel that immerses readers in the cultural and religious tensions of ancient Egypt it is a nuanced exploration of the clash between traditional Egyptian beliefs and Hellenistic influences Ebers

employs a richly evocative prose style filled with vivid descriptions and characterizations which invites readers into the heart of this antiquity. The narrative intricately weaves themes of faith, power, and identity set against the backdrop of the rise of the cult of Serapis during the Ptolemaic period, reflecting the complexity of an era marked by both spiritual awakening and political strife. Georg Ebers was a distinguished German Egyptologist and novelist whose profound love for ancient history influenced much of his literary output. His extensive travels throughout Egypt and deep engagement with archaeological studies are evident in his meticulous portrayal of its historical settings and cultural intricacies. Ebers's background in academia and passion for Egyptian antiquity lend authenticity and depth to his storytelling, making him a pivotal figure in historical fiction. This book is highly recommended for readers interested in historical narratives that blend fiction with rigorous historical research. Serapis will particularly resonate with those captivated by ancient civilizations and the evolution of religious thought, making it an indispensable addition to any literary or historical collection.

The Boxmaker's Revenge Peter Lake, 2001. This book is based on a story. Its main protagonists are a London clergyman, Stephen Denison, and a lay sectmaster and prophet, John Etherington. The dispute between the two men blew up in the mid 1620s, but its reverberations can be traced back to the 1590s and continued to 1640. Through Denison, the book analyses the tensions and contradictions within the religion of protestants that dominated great swathes of the early Stuart church. Through Etherington, it eavesdrops on a London puritan underground that has remained largely hidden from view and which, while it was related to, indeed parasitic upon, was not coterminous with the order and orthodoxy centred puritanism of Stephen Denison. By placing the Denison-Etherington dispute in its multiple contexts, the book becomes a study of puritan theology and intra-puritan theological dispute, of lay-clerical relations and of the politics of the parish, and thus of the social history of parish and puritan religion in London.

Ysatis De Saint Simon,2001-03-14 The Passion and The Glory The Greatest Love Story Ever Lived There have been numerous accounts of the life of Jesus but throughout the whole century there has never been a single one written from the point of view of a woman The Passion and the Glory The Greatest Love Story Ever Lived is the first Gospel written from the point of view of a woman furthermore it is the only one written from the perspective of the woman who loved Jesus passionately as a God and as a Man Mary of Magdala It is the Gospel of Mary of Magdala A Gospel for the new Century The Passion and the Glory The Greatest Love Story Ever Lived offers to the reader the most complete account of the life of Jesus the Christ that has ever been written in the history of Christianity That is it includes in it witnesses accounts of His birth miracles and stories of His Infancy the occult or lost years His mission passion and death and the rarely found mystery teachings of the Christ Jesus to His apostles after His Resurrection these although known to Theologians have only been disclosed in some rare and hard to find Apocryphal Gospels The Gospel of Mary Magdala is illuminating human intriguing and interesting because it gives us dimensions unknown to most of us of the humanity and divinity of Jesus the Christ dimensions that only the woman who loved Him experienced and can help us to know Him better At the same time it also gives to us dimensions of our humanity and our unconscious quest to recuperate our forgotten divine status Mary of Magdala is an integral part of us the fallen humanity Her fall and her redemption are both irrevocably tied to our fallen human nature and to our hopes for redemption when we read her story we are able to understand our human selves our relationship with Jesus the Christ and our divine potentials subjectively It is as if her love affair with the Christ is our own love affair with His Spirit and her rise from sin into sainthood the hope for our own future divinization As we penetrate it The Passion and The Glory The Greatest Story Ever Lived becomes our own story We learn more about Jesus His Love for us and are exposed to His Mystery teachings a priceless treasure of wisdom which is not only liberating but helps to fuel in us the innate desire to discover and recuperate our true divine nature The Gospel of Mary Magdalene is indeed a revolutionary Gospel of Love for the new minds and spirits of the Twenty first Century The Passion and The Glory The Greatest Love Story Ever Lived is a Gospel that was rejected in the past mainly because it came from a woman Things have changed what makes it most valuable in the new century is precisely that it comes from a woman A woman who was not only one of Jesus closest disciples and His most intimate companion but the one He chose to make an apostle to His apostles by making her the sole harbinger of His resurrection In an age when women don t have to bend anymore under the dark cloud of male chauvinism the Gospel of Mary Magdalene the woman who loved Jesus is more than welcome The fact that her vision of Jesus is that of a woman makes her Gospel a great love story passionate deeper and more human very different indeed from that of the male apostles Mary of
