*Vivre et survivre dans le Marais* , The Russian Jewish Diaspora and European Culture, 1917-1937 Jörg Schulte, Olga Tabachnikova, Peter Wagstaff, 2012-04-03 This book traces the impact on Jewish culture in Western Europe of the migration of Russian Jews following the 1917 Revolution as they enabled the creation of a single sphere of Jewish culture common to all parts of the European diaspora *Vivre et survivre dans le Marais* , 2005 Medical Imperialism in French North Africa Richard C. Parks, 2017-10 French colonial Tunisia in the late nineteenth and early twentieth centuries witnessed shifting concepts of identity including varying theories of ethnic essentialism a drive toward modernization and imperialist interpretations of science and medicine As French colonizers worked to realize ideas of a modern city and empire they undertook a program to significantly alter the physical and social realities by which the people of Tunisia lived often in ways that continue to influence life today Medical Imperialism in French North Africa demonstrates the ways in which diverse members of the Jewish community of Tunis received rejected or reworked myriad imperial projects devised to foster the social corporeal and moral regeneration of their community Buttressed by the authority of science and medicine regenerationist schemes such as urban renewal projects and public health reforms were deployed to destroy and recast the cultural social and political lives of Jewish colonial subjects Richard C Parks expands on earlier scholarship to examine how notions of race class modernity and otherness shaped these efforts Looking at such issues as the plasticity of identity the collaboration and contention between French and Tunisian Jewish communities Jewish women s negotiation of social power relationships in Tunis and the razing of the city s Jewish quarter Parks fills the gap in current literature by focusing on the broader transnational context of French actions in colonial Tunisia Instrument of Memory Lisa Lampert-Weissig, 2024-01-18 How can immortality be a curse According to the Wandering Jew legend as Jesus made his way to Calvary a man refused him rest cruelly taunting him to hurry to meet his fate In response Jesus cursed the man to wander until the Second Coming Since the medieval period the legend has inspired hundreds of adaptations by artists and writers Instrument of Memory Encounters with the Wandering Jew the first English language study of the legend in over fifty years is also the first to examine the influence of the legend s medieval and early modern sources over the centuries into the present day Using the lens of memory studies the work shows how the Christian tradition of the legend centered the memory of the Passion at the heart of the Wandering Jew s curse Instrument of Memory also shows how Jewish artists and writers have reimagined the legend through Jewish memory traditions Through this focus on memory Jewish adapters of the legend create complex renderings of the Wandering Jew that recognize not only the entanglement of Jewish and Christian memory but also the impact of that entanglement on Jewish subjects This book presents a complex sympathetic and more fully realized version of the legend while challenging the limits of the presentism of memory studies *Mardochée Naggia* Lucette Valensi, 2008 Qui est Mardochée Naggia Un inconnu dont les traces t nées sont d emblée intrigantes Dans son journal un missionnaire
