Police Report On Tommy Pinson:

American Scare Robert W. Fieseler, 2025-06-17 A vital expos for both our history and our present day American Scare tells the riveting story of how the Florida government destroyed the lives of Black and queer citizens in the twentieth century In January 1959 Art Copleston was escorted out of his college accounting class by three police officers In a motel room blinds drawn he sat in front of a state senator and the legal counsel for the Florida Legislative Investigation Committee nicknamed the Johns Committee His crime Being a suspected homosexual And the government of Florida would use any tactic at their disposal legal or not to get Copleston to admit it Using a secret trove of primary source documents that have been decoded and de censored for the first time in history journalist Robert Fieseler unravels the mystery of what actually happened behind the closed doors of an inquisition that held ordinary citizens ransom to its extraordinary powers The state of Florida would prefer that this history remain buried But for nearly a decade the Florida Legislature founded funded and supported the Johns Committee an organization using the cover of communism to viciously attack members of the NAACP and queer professors and students Spearheaded by Charley Johns a multi term politician in a gerrymandered legislature the Committee was determined to eliminate any threats to the state s white conservative regime Fieseler describes the heartbreaking ramifications for citizens of Florida whose lives were imperiled profiling marginalized residents with compassion and a determination to bring their devastating experiences to light at last A propulsive human centered drama with fascinating insight into Florida politics American Scare is a page turning reckoning of our racist and homophobic past and its chilling parallels to today **The Prison World** ,1952 Telephone Directory Ellijay Telephone Company,1991 The Quill ,1968-03 Reports of Cases Decided in the Court of Appeals of the State of Georgia at the Georgia. Congressional Record United States. Congress,1991 Directory of Graduates of the FBI National Academy and Officers of the FBI National Academy Associates FBI National Academy,2002 *An Alabama Story* Daniel Hammarberg,2012-12-05 An Alabama Story is based on the accounts a southern man living in Alabama related to the author

he will here be referred to as Billy Bob When Hammarberg came across Billy Bob he was able to share in captivating tales of Billy Bob s family life and how he and his family here called the Hix had interacted with their surrounding community When Billy Bob let the author share in his tales he made the author swear that he wouldn t let anyone else hear about them Yet the author decided that these tales were simply too remarkable for the world to be denied them Hence this book was written a compilation of the tales Billy Bob had told the author about a year in the life of the Hix family Hopefully Billy Bob will forgive Hammarberg for breaking his vow and publishing the book Billy Bob insisted that even though many of his tales simply required the suspension of disbelief every single one of them were absolutely true But since the author doesn t want to jeopardize his good name by categorizing this work as non fiction in the case that some of them turn out not true it sorts under Young Adult Fiction Inside the covers of this book the reader will be treated to anecdotes like these from the Hix family life The time the Hix burglarized a mansion as a family and brought home a hundred grand s worth of loot The time Billy Bob and one of his sons chased all the blacks out of the Birmingham welfare office How Billy Bob managed to prevent his lesbian daughter from marrying a 50 year old woman The story of when Billy Bob ran for mayor of Birmingham How two of the family members became local heroes in the pro wrestling circus During this year the family ran into a number of celebrities as well and these encounters are retold in full detail Hopefully reading the book will bring many hours of enjoyment and perhaps even spark a debate about freedom of speech Speaking of free speech prior to the publication of this novel certain well known voices in American public life demanded that their commentary on the book would be included with its distribution The author had no problems with including them and their messages are listed below Once again the white devil has put his racist sentiments on display for all of us to see Peaceful activists such as myself are doing the best we can to let our nation heal the wounds it s suffered under white supremacist rule then this book comes along and ruins it all A Sharpton This book will singlehandedly set us back at least 50 years in the struggle for women s liberation Not a single woman in this book has a career or works for a living and even worse the family s lesbian daughter is constantly bullied throughout the whole book J Fonda This is an outrage In spite of a lifetime spent fighting for civil rights I m being scoffed and ridiculed in the pages of this book Us blacks need to picket the Capitol over this J Jackson I fear that after this book has been widely circulated even more young queers than today will make that tragic step into the great beyond by taking their own lives tormented by homophobia Before you buy this book think of the children D Savage I feel that the language and the narrative elements of this book are very racially divisive and that they re entirely inappropriate for 21st century America I m especially appalled at the disrespectful references to me as a person and I urge you not to buy the book B H Obama For more information go to alabamastory.com The Negro Leagues Revisited Brent P.
