## **Polishing The Mirror How To Live From Your Spiritual Heart:**

**Polishing the Mirror** Ram Dass, 2013-08-01 Sometimes illumination occurs spontaneously or as Ram Dass experienced in a heart wrenching moment of opening. More commonly it happens when we polish the mirror of the heart with daily practice and see beyond the illusion of our transient thoughts and emotions to the vast and luminous landscape of our true nature. For five decades Ram Dass has explored the depths of consciousness and love and brought them to life as service to others. With *Polishing the Mirror* he gathers together his essential teachings for living in the eternal present here and now. Readers will find within these pages a rich combination of perennial wisdom, humor, teaching stories, and detailed guidance on Ram Dass' own spiritual practices including Bhakti Yoga, opening our hearts to unconditional love, Practices for living, aging, dying, and embracing the natural flow of life, Karma Yoga, how selfless service can profoundly transform us, Working with fear and suffering as a path to grace and freedom, Step by step guidance in devotional chant, meditation, and mantra practice, and much more. For those new to Ram Dass' teachings and for those to whom they are old friends, here is this vanguard spiritual explorer's complete guide to discovering who we are and why we are here and how to become beacons of unconditional love.

**A View from Life's Edge** Corinne G. Dempsey, 2025-10-14 In today's death-denying, success-driven society, older women's countercultural voices call for our attention. Recounting emotionally charged conversations from across the world, *A View from Life's Edge* reflects on women's comfort with impending death, gratitude forged by catastrophe, and humility that makes way for wonder. Speaking with nearly one hundred women over the age of eighty in four locations—northern Iceland, south India, a retirement community in California, and a convent in upstate New York—Corinne G. Dempsey finds that as we near life's end, we gain clarity about what really matters in life. Women's stories and reflections in which sorrow and loss are central to a life well lived help to expand our sense of what it means to be human. Drawing on the paradoxical wisdom of world religions and mystical traditions to frame late-life tendencies across cultures, Dempsey portrays these accounts as a corrective to mainstream values that defeat and diminish us. Dempsey encourages us to turn away from ageist fears rather than denying life's inevitable end. Learning from older women's perspectives, we might move their edge-of-life views closer to the center.

*Dying to Know* Love, Serve, Remember Foundation, 2024-10-15 *Dying to Know* is an intimate portrait of two complex, controversial characters, Ram Dass and Timothy Leary, in an epic friendship that shaped a generation. In the 1960s, Harvard psychology professors Timothy Leary and Richard Alpert began probing the edges of consciousness through their experiments with psychedelics. Leary became an LSD guru, igniting a global counterculture movement and landing in prison after Nixon called him the most dangerous man in America. Alpert journeyed to the East and became Ram Dass, a spiritual teacher for an entire generation and the author of *Be Here Now*. Including interviews spanning 50 years, *Dying to Know* celebrates the lasting legacy of Leary and Alpert and encourages critical thinking about life, drugs, and the biggest mystery of all, death.
