Instructions on How to Play William Henry,2011-03-29 The game of water polo has perhaps done more during recent
years to popularise and to cause an interest to be taken in swimming than any other branch of the sport It is essentially a
game for swimmers and one that affords no lack of opportunity for the exhibition of skill and the development of staying
power Its practice tends to improve the speed rates of all those who participate in the pastime as well as to inculcate in the
minds of its followers good ideas as to the best methods of obtaining command over the water In long distance swims only
one style of swimming is as a rule adopted but in water polo the rapid changes of position which are necessary compel
players to constantly alter their style This is in itself a beneficial phase of the game and one which teaches a swimmer how
complete may become his power Many of the earliest books particularly those dating back to the 1900s and before are now
extremely scarce and increasingly expensive We are republishing many of these classic works in affordable high quality
