What's wrong with this picture?

How often do you find yourself driving behind a smoking vehicle? You roll the windows up, close the vents, and can still smell the fumes!

In an effort to educate the public, the Broward County Air Quality Program created the Smoking Vehicle Program, a voluntary program for reporting smoking vehicles. One of the main goals of the program is to educate the general public about the effects of smoking vehicles and how we can all help resolve the problem.

Interesting facts about motor vehicles

- About 20% of Florida's greenhouse gases come from passenger cars and light duty trucks.
- Smoking vehicles generate 10 to 15 times more pollution than well-tuned vehicles.
- Smoking vehicles contribute 20 to 30% of the cost and particles in the air.
- Particulate matter can cause coughing, sneezing, respiratory irritation, and may trigger asthma attacks in individuals with sensitive airways. These particles also may carry toxic materials deep into the respiratory system.
- Motor vehicles account for more than 30% of the air pollution in Broward County.
- There are about 1.4 million cars, trucks, buses and other registered vehicles in Broward County.
- The average car emits more than 10,000 pounds of carbon dioxide per year.
- Between the years 2002-2008, over 2,400 smoking vehicle complaints have been reported in Broward County.

Smoking vehicles are bad for you

Smoking from vehicle exhaust is made up of tiny particles that can get lodged in your lungs. Recent studies show that these small particles are a major contributor to respiratory diseases such as asthma and emphysema. Smoking vehicles can also emit several pollutants that are known or suspected to cause cancer in humans.

Smoking vehicles are illegal

Any car, bus, or truck that generates smoke continuously from the exhaust pipe for more than five seconds is in violation of the Broward County Code, Chapter 27, (Section 27-170) and the Florida Statute, Chapter 316.210.

Smoking vehicles cost you money

County Fees
 The owner of a smoking vehicle can be cited by a Natural Resource Enforcement Officer if the problem is not corrected within 30 days, and fines of up to \$200 may apply.

State Fees
 Any law enforcement officer of the state of Florida can issue a traffic citation to a smoking vehicle owner.

Cost of gas
 A smoking vehicle can burn up your money. It will use more oil and gasoline. The longer it goes without being repaired, the more damage may be done to the engine. That means higher repair costs for you in the long run.

What can you do if your vehicle is smoking?

- Visit the Air Quality Program web site at www.broward.org/air and click on "Smoking Vehicles" to see the common causes of vehicle engine smoke and try to identify the problem.
- Take the vehicle to a certified mechanic licensed in the state, following the emissions controls.
- Take the bus - call Broward County Transit (BCT) at 954-257-4400.
- Drive a ride with someone to school, work and social events.
- Call 1-800-234-4024 to get a car pool.
- Take the trol - call 1-800-785-4555.
- Bicycles, walk or skate wherever you can.

How to report smoking vehicles

The Smoking Vehicle Program encourages the public to help identify smoking vehicles. Please call the Environmental Complaints Hotline at 954-519-1499, or complete a complaint form 24 hours a day by visiting www.broward.org/air and click on "Report Smoking Vehicles." We don't need your name, just the information listed below.
