This color guide is only an approximation of color for computer monitor or color printer representation. Various types of computer monitors, graphics cards and color printers all have their own special characteristics for displaying and printing colors. All monitors and printers will show slight variations in color from one model to another. Polycast Products cannot guarantee that the colors you see on your monitor or print on your color printer will correspond exactly to the actual Polycast Products color range.

Not all colors are available in all products. Refer to the data sheets for the color availability of the product desired. Polycast Products will gladly develop custom colors. Additional charges and minimum order apply. Contact Polycast Products for more information.

When color matching is critical, please request a draw down film sample from Polycast Products before placing your order.
