Shakespeare's Sonnets, Retold William Shakespeare,James Anthony,2018-11-13 An enlightening and entertaining collection of the most esteemed love poems in the English canon retold in contemporary language everyone can understand James Anthony has long enjoyed poetry with a strict adherence to beat rhythm and rhyming patterns which he likens to the very best pop songs This drew him to the rewarding 14 line structure of Shakespeare s sonnets yet he often found their abstract language frustratingly unintelligible One day out of curiosity he rewrote Sonnet 18 Shall I compare thee to a summer s day line by line in the strict five beat iambic pentameter and rhyming patterns of the original but in a contemporary language a modern reader could easily understand The meaning and sentiment difficult to spot initially came to life revealing new intricacies in the workings of Shakespeare s heart And so James embarked on a full time year long project to rewrite all 154 of the Bard s eternal verses creating SHAKESPEARE S SONNETS RETOLD This collection of masterful reinterpretations brilliantly demystifies and breathes new life into Shakespeare s work demonstrating the continued resonance of a playwright whose popularity remains over 400 years after his death Now the passion heartbreak deception reconciliation and mortality of Shakespeare s originals can be understood by all without the need to cross reference to an enjoyment sapping study guide Coming with a foreword by Stephen Fry this is a stunning collection of beautiful love poems made new **Shakespeare's Songs and Sonnets** William Shakespeare,2015-06-02 Excerpt from

Shakespair Martin P. Bidney,2015-10-06 Shakespeare's Sonnets published in 1609 but mostly written in the 1590s offer surprises everywhere but two big ones in particular These relate to the plot and to the range of the poet's passionate feeling The story line has the makings of a high suspense love drama but the author wants more crucially to explore his thoughts on a myriad of topics in what feels like verse journaling moody mercurial unpredictable and intense That's why the genre of the narrative hovers between a play and what we'd now call a psychological novel Complicating both the dramatic tension and the introspective depth is the bisexual range of the poet's passionate temperament The fact that his boyfriend and mistress are attracted to each other will account for some of the strong conflicts in the speaker's mind But the wild oscillations of his feeling toward each of them are also rooted in his widely receptive sexual nature I'm a dialogic poet carrying on a long tradition of friendly rivalry among verse writers Here I undertake a book length dialogue in sonnets with Shakespeare The best way to respond to a poem that won't let go of you is to write another poem and try to make it worthy of the first Often I sum up a lyric from a new perspective Or I'll respond with parallel or contrasting memories and imaginings of my own Poets philosophers mythic figures musicians or novelists may enter my replies Psychological sidelights will be many The possibilities revealed by the genre of lyrical response appear unlimited There's no better conversation partner than Shakespeare who gave me a deep love for his favorite lyric form Entering into it I assumed a stranger self and it made a stranger me
