**The Female Pope** Rosemary Anne Pardoe, 2006 **Pope Joan** Michael E. Habicht, 2021-02-08 Pope Joan A concealed pontificate of a woman or a fictitious legend In 1277 Martin of Troppau mentioned in his chronicle the pontificate of a woman who as John Anglicus had held the office of pope for two and a half years around 850 and was later removed from the list of popes Since then the world has been puzzling over the question of whether this is the truth or whether it is a legend that persisted Was there once a female pope And what consequences does this have for apostolic succession and for the question of whether women should be ordained as priests The textbook presents new materials and presents an amazing and consistent theory a silver coin from the period 856 to 858 with the inscription SCS PETRVS Saint Peter and the papal monogram IOHANIS Stylistically the coin belongs to the time before Pope Nicolaus I 858 867 and should therefore be assigned to a Pope John in the 850s In this time there is only Johannes Anglicus the female pope Thus there is a historical

Rhoidēs, Lawrence Durrell,1974 In this brilliant adaptation of a novel by the 19th century Greek author Emmanuel Royidis Lawrence Durrell traces the remarkable history of a young woman who travelled across Europe in the ninth century disguised as a monk acquired great learning and ruled over Christendom for two years as Pope John VIII before her sudden and surprising death When Papissa Joanna was first published in Athens in 1886 it created a sensation The book was banned and its author excommunicated It nevertheless brought him immediate fame and the work established itself securely in the history of modern Greek literature Subsequently Durrell one of the most important British writers of the 20th century created a masterpiece in its own right a dazzling concoction presented with the deftest touch [The Legend of Pope Joan](#) Peter Stanford,1999-01-15 A quest for the truth behind one of history s most perplexing mysteries The story of Pope Joan an English woman who disguised herself as a man and became pope in the middle of the ninth century has seized people s imagination for over a thousand years Despite dismissals of the tale as an improbable indeed impossible historical fantasy the

leg persists Is the tale nothing more than folklore invented by Protestant propagandists determined to undermine the authority of the papacy Or did Joan really exist deceiving the authorities and becoming pope As the controversy over women in the Catholic priesthood continues and the Church which until the Reformation took the story of Pope Joan as gospel dispels rumors that will not be quashed it is time to look beyond the fantasy for facts In this wide ranging investigative account which reaches from secret histories to conspiracy theories medieval carvings to tarot cards transvestite saints to a tale about a pope giving birth in the street Peter Stanford delivers a major piece of historical detective work that may convince even the staunchest of skeptics     *The New Anti-Catholicism* Philip Jenkins, 2004 And the recent pedophile priest scandal he shows has revived many ancient anti Catholic stereotypes BOOK JACKET
