

Report Animal Cruelty

Animal cruelty can take many different forms including:

- Depriving animals of food, water and veterinary care
- Chaining animals for long periods of time
- Physically abusing an animal (hitting, kicking or otherwise causing physical harm)

*If you believe that you have witnessed animal cruelty, you **CAN** do something about it!*

1. Get a photo or a video of any incidents of animal cruelty.
2. It is important to get details of the incident such as the location where it occurred, names of the abuser(s), date and time of the incident, etc.

You should write this information down.

3. Get the names and contact information of any witnesses to the incident.
4. Report the incident to the Police. **Animal cruelty is a crime under Guyana's laws.** Our police are required to investigate any criminal complaints of animal cruelty / animal abuse.

You may also report these incidents of animal cruelty / abuse to the Guyana Society for the Prevention of Cruelty to Animals on **226-4237**.

Report Animal Abuse Ga:

The International Handbook of Animal Abuse and Cruelty Frank R. Ascione, 2010 Animal abuse as a predictor of abuse against humans has been documented extensively Experts have explored alternatives to identify the early signs and stop the cycle This book offers an up to date compendium that covers the historical legal research and applied issues related to animal abuse and cruelty

Recognizing & Reporting Animal Abuse, 1998 **Animal Abuse** Catherine Tiplady, 2013 Animal abuse is an increasingly recognized issue throughout the world and makes headlines every year The plight of animals is well documented but the hidden cost to those who help is not fully understood This practical handbook covers definitions types and explanations of forms of animal abuse and then examines the impacts of animal abuse on professionals and provides coping strategies The book concludes with a guide to dealing with animal abuse including providing first aid for common emergencies and dealing with the human abusers

Mental Health and Well-Being in Animals Franklin D. McMillan, 2008-06-02 The past few decades have seen a virtual explosion of scientific research in the area of cognition emotions suffering and mental states in animals Studies in the field laboratory and clinical medical practice have amassed an overwhelming body of evidence demonstrating that mental well being is of paramount importance in all aspects of animal care There is no longer any reasonable doubt among researchers that mental health is of equal importance as physical health and animal well being Recent research convincingly shows that physical health is strongly influenced by mental states thereby making it clear that effective health care requires attention to the emotional well being as well as physical Yet for its vast importance mental health in veterinary medicine has to date not been compiled and structured into an organized field or body of knowledge This information so critical to the formal establishment of the field of mental health and well being in animals remains scattered throughout a wide array of scientific journals This book represents the first authoritative reference text bringing together the most up to date information in the variety of subjects comprising the field of mental health and well being in animals Bringing together a host of distinguished experts internationally noted in the fields of animal emotion research animal behavior cognitive science and neuroscience the book represents the first authoritative reference compiling the diverse information on the animal mind and combining the revolutionary advances in the cognitive sciences with the knowledge in veterinary medicine and clinical animal behavior This book takes a descriptive and proscriptive approach to mental health mixing the scientific research with practical information with clinical applications for veterinary health professionals to use in practice
