Skirting The Boundaries English Edition:

Skirting the Boundary Isabelle Duncan,2013-05-28 For too long women have been kept beyond the boundary Now they are storming the field This is their story Cricket is a sport noted for the richness of its literature yet despite all that has been written on the great game there remains a yawning gap where are all the women This omission may have been understandable in the early and middle part of the last century when women s cricket existed in a twilight world regarded as a sport for ladies who could perhaps be most tactfully described as unconventional But times have changed and Izzy Duncan s groundbreaking book comes on the scene not a moment too soon We begin in the late eighteenth century when ladies made their first mark on cricket amid frantic betting and rowdy crowds Then on to the highs and lows of the nineteenth and twentieth centuries culminating in the contemporary superstars dominating world cricket and on the cusp of going professional Tracing the history of the ladies game delving into its sometimes murky past and revealing its recent explosion in popularity **Skirting the Boundary** is a humorous affectionate and charming portrayal of one of the fastest growing global sports

Minnesota's Boundary with Canada William E. Lass,1980 Lass s book will be the standard work on the Lake Superior to Red River boundary but it reaches beyond those limits defined in the title In order to make any sense out of the border Lass has gone a long way towards writing a good general survey of Canadian American boundary issues The book is based on an extensive use of published and manuscript materials and it is well illustrated with photographs and maps including reproductions of important historic maps [Www mhs ca docs mb_history 04 boundarycommission.shtml](http://www.mhs.ca/docs/mb_history/04_boundarycommission.shtml)

Of Silk Saris & Mini-Skirts Amita Handa,2003-01-08 Dr Handa explores issues surrounding the way identity is imagined and constructed by South Asian girls women and South Asian community workers in Toronto The author also examines ways in which young South Asian women are constructed and represented through discourses of race nation culture and community Using feedback from her interviews the author discusses South Asian women s struggle with the threat of the erosion of their authentic cultural practices Handa s critical theoretical perspective illuminates how South Asian women struggle to live within the boundaries of cultural preservation at the same time that they embrace aspects of the communities in which they live She explores whether they both desire and are excluded from Canadian cultural hegemony She also examines the theoretical implications of exclusion and conversely the problematic of cultural preservation
