Radical Walking Tours of New York City, Third Edition Bruce Kayton, 2016-12-13 Too often tours of New York City are paeans to power extolling the fabled New York skyline and the robber barons whose wealth built it up praising the marvels of a city built largely on finance But New York has also since its founding been a city of struggle a place where workers lived created wealth and spun out the rich cultural tapestry that has put the small island of Manhattan at the very center of the world s imagination It is a city of proletarian uprising of abolitionist rebellion of civil rights demonstrations and radical futures This is Bruce Kayton s New York the town of Emma Goldman and Langston Hughes of Margaret Sanger and John Reed of demonstrations and shootouts of community gardens and marches Now in an expanded third edition with a new Upper West Side tour featuring the Berrigans Maxim Gorky Lucien Carr and others and updated sites reflecting recent anti war and police brutality protests Occupy Wall Street and Zuccotti Park and more these thirteen walking tours taking us from Battery Park to Harlem from the Lower East Side to Central Park offer a vital new perspective on the history of New York City and its place in the traditions of American radicalism

The Delectable Negro Vincent Woodard, 2014 Scholars of US and transatlantic slavery have largely ignored or dismissed accusations that Black Americans were cannibalized Vincent Woodard takes the enslaved person OCOs claims of human consumption seriously focusing on both the literal starvation of the slave and the tropes of cannibalism on the part of the slaveholder and further draws attention to the ways in which Blacks experienced their consumption as a fundamentally homoerotic occurrence The Delectable Negro explores these connections between homoeroticism cannibalism and cultures of consumption in the context of American literature and US slave culture Utilizing many staples of African American literature and culture such as the slave narratives of Olaudah Equiano Harriet Jacobs and Frederick Douglass as well as other less circulated materials like James L Smith OCOs slave narrative runaway slave advertisements and numerous articles from Black newspapers published in the nineteenth century Woodard traces the racial assumptions political aspirations gender codes and philosophical frameworks that dictated both European and white American arousal towards Black males and hunger for Black male flesh Woodard uses these texts to unpack how slaves struggled not only against social consumption

but also against endemic mechanisms of starvation and hunger designed to break them He concludes with an examination of the controversial chain gang oral sex scene in Toni Morrison's *Beloved* suggesting that even at the end of the twentieth and beginning of the twenty first century we are still at a loss for language with which to describe Black male hunger within a plantation culture of consumption

New York Magazine, 1995-05-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award

winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Resistance Behind Bars* Victoria Law, 2012-10-05 In 1974 women imprisoned at New York's maximum security prison at Bedford Hills staged what is known as the August Rebellion. Protesting the brutal beating of a fellow prisoner, the women fought off guards, holding seven of them hostage and took over sections of the prison. While many have heard of the 1971 Attica prison uprising, the August Rebellion remains relatively unknown even in activist circles. *Resistance Behind Bars* is determined to challenge and change such oversights. As it examines daily struggles against appalling prison conditions and injustices, *Resistance* documents both collective organizing and individual resistance among women incarcerated in the U.S. Emphasizing women's agency in resisting the conditions of their confinement through forming peer education groups, clandestinely arranging ways for children to visit mothers in distant prisons, and raising public awareness about their lives, *Resistance* seeks to spark further discussion and research into the lives of incarcerated women and galvanize much needed outside support for their struggles. This updated and revised edition of the 2009 PASS Award winning book includes a new chapter about transgender, transsexual, intersex, and gender variant people in prison.
