In Sleeping Beauty's Bed Mitzi Szereto, 2000 **The Claiming of Sleeping Beauty** A. N. Roquelaure, Professor Anne Rice, 1983-03-29 **The Gothic World of Anne Rice** Gary Hoppenstand, Ray Broadus Browne, 1996 Such readers find allusions in Rice's work to that of Horace Walpole's *The Castle of Otranto* to Ann Radcliffe's gothic romances such as *The Mysteries of Udolpho* and to Bram Stoker's *Dracula* as do such present day authors as Clive Barker Robert R McCammon and Stephen King *Bedtime Stories* Jean Johnson, 2010 Presents erotic adaptations of well known fairy tales for adults including *The Frog Prince* *Snow White and the Seven Dwarves* and *Beauty and the Beast* *Erotic Fairy Tales* Mitzi Szereto, 2018-01-02 A traditional source of sexual titillation for adult readers fairy tales historically boasted licentious themes before being cleaned up for the consumption of children in modern times Seasoned erotica author Mitzi Szereto restores the explicit sex in these 15 tales and adds some provocative surprises of her own Here the bawdy humor of French fable meets the sublime eroticism of ancient Chinese myth a not so virgin damsel weds a Prince Charming with a shoe fetish Little Red Riding Hood discovers Grandma's bed is open to any stray wolf and a Japanese monk stumbles onto an S M scene behind a forbidden door Each tale is prefaced by a brief introduction telling its history and the sexual culture in which the work was originally composed *Fairy Tales 101* Jeana Jorgensen, 2022-09-06 What exactly are fairy tales and how did they get their name Have you ever wondered what fairy tales were like before Walt Disney got his hands on them And who the heck are these Grimm brothers *Fairy Tales 101* is your one stop shop for these answers and more giving you all the dirt on the people who have shaped fairy tale history and exploring the many ways fairy tales have shape shifted their way into literature and pop culture This book also prepares you to think like a fairy tale scholar by examining how tales are transmitted by whom and why Whether you're a scholar aspiring to join the fairy tale conversation a writer or an artist who uses fairy tales in their work or simply a general fan of fairy tales this is the book for you In addition to the twenty two essays explaining basic fairy tale concepts methods and theories there are also valuable guides and resources on both classic and adapted fairy tale works to further your studies Looking beyond how fairy tales are utterly wrapped in magic and fantasy we can see that fairy tales have always and ever been about us our views about gender our fantasies about being happy and our deeply held notions about who deserves power Far from being just for kids fairy tales offer clues into the deepest underpinnings of society and this book gives you the tools to explore fairy tales to the fullest so you too can live happily ever after If you want to understand fairy tales like really understand fairy tales and talk about them like a pro seriously read this book Sara Cleto The Carterhaugh School Dr Jorgensen has created an excellent bridge text for readers with a general interest in fairy tales to cross over into a world of fairy tale scholarship Her language throughout the beginner basics is colloquial and accessible as she carries the reader into scholarly thought Katrina Reinert co host of The Fairy Tellers podcast Engaging and witty Dr Jorgensen delivers a masterful introduction into the study of fairy tales with an easily accessible and consumable book that

The Truth is in Dreams Stories and Fairy Tales ,

Fairy Tales and Society Ruth B. Bottigheimer, 2014-12-05 This collection of exemplary essays by internationally recognized scholars examines the fairy tale from historical folkloristic literary and psychoanalytical points of view For generations of children and adults fairy tales have encapsulated social values often through the use of fixed characters and situations to a far greater extent than any other oral or literary form In many societies fairy tales function as a paradigm both for understanding society and for developing individual behavior and personality A few of the topics covered in this volume oral narration in contemporary society madness and cure in the 1001 Nights the female voice in folklore and fairy tale change in narrative form tests tasks and trials in the Grimms fairy tales and folklorists as agents of nationalism The subject of methodology is discussed by Torborg Lundell Stven Swann Jones Hans Jorg Uther and Anna Tavis *Folk and Fairy Tales - Fourth Edition* Martin Hallett, Barbara Karasek, 2008-10-28 This anthology of folk and fairy tales brings together 52 stories from a range of historical and geographic traditions Sections group tales together by theme or juxtapose variations of individual tales inviting comparison and analysis across cultures and genres An accessible section of critical selections provides a foundation for readers to analyze debate and interpret the tales for themselves An expanded introduction by the editors looks at the history of folk and fairy tales and distinguishes between the genres while revised introductions to individual sections provide more detailed history of particular tellers and tales paying increased attention to the background and cultural origin of each tale A selection of illustrations from editions of classic tales from the 19th to the 21st centuries is also included This new edition includes a larger selection of critical articles more modern and cross cultural variations on classic tales and an expanded discussion of illustrations *Short Story Index* , 2004 Anne Rice and Sexual Politics James R. Keller, 2015-11-16 From the vampires Lestat and Louis to a sexually liberated Sleeping Beauty novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional Exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice's early work covers her career from the landmark Interview with the Vampire 1976 to Lasher 1993 Each chapter tackles a different aspect of Rice's conflicting portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit This study is appropriate both for readers of Rice's writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality An index and bibliography are included to aid research Mary Poppins, She Wrote Valerie Lawson, 2013-12-03 THE ONLY TRUE STORY BEHIND THE CREATOR OF MARY POPPINS The remarkable life of P L Travers the creator of Mary Poppins perfect for fans of the movie Mary Poppins Returns and the

original Disney classic An arresting life Lawson is superb at excavating the details Library Journal The spellbinding stories of Mary Poppins the quintessentially English and utterly magical nanny have been loved by generations She flew into the lives of the unsuspecting Banks family in a children s book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the title role in Walt Disney s hugely successful and equally classic film But the Mary Poppins in the stories was not the cheery film character She was tart and sharp plain and vain She was a remarkable character The story of Mary Poppins creator as this definitive biography reveals is equally remarkable The fabulous English nanny was actually conceived by an Australian Pamela Lyndon Travers who came to London in 1924 from Queensland as a journalist She became involved with Theosophy traveled in the literary circles of W B Yeats and T S Eliot and became a disciple of the famed spiritual guru Gurdjieff She famously clashed with Walt Disney over the adaptation of the Mary Poppins books into film Travers whom Disney accused of vanity for thinking you know more about Mary Poppins than I do was as tart and opinionated as Julie Andrews s big screen Mary Poppins was cheery Yet it was a love of mysticism and magic that shaped Travers s life as well as the character of Mary Poppins The clipped strict and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years Valerie Lawson s illuminating biography provides the first full look whose personal journey is as intriguing as her beloved characters

Explicit Utopias Amalia Ziv,2015-07-06 Provides an incisive account of women s porn and queer porn of the 1980s and 1990s Explicit Utopias explores a problem that has long haunted feminist lesbian and queer critics the obstacles to imagining women s desire and sexual agency Pornography is one arena in which women have actively sought to imaginatively overcome this problem yet pornography has also been an object of passionate feminist contention Revisiting the feminist sex wars of the 1980s Amalia Ziv offers a comprehensive and thoughtful reassessment of the arguments and concerns of both camps tying these early debates to the contemporary surge of concern over the pornification of culture She also sets out to rectify the lack of critical attention to marginal sexual representations by examining the feminist queer and psychoanalytic literature on several key issues including fantasy the phallus identification and gender performativity [The Cambridge Companion to Contemporary African American Literature](#) Yogita Goyal,2023-12-21 This book provides a systematic and vibrant account of the range and achievements of contemporary Black writers [The Oxford Companion to Fairy Tales](#) Jack Zipes,2015 This Oxford companion provides an authoritative reference source for fairy tales exploring the tales themselves both ancient and modern the writers who wrote and reworked them and related topics such as film art opera and even advertising **PEM:**

myth of womanhood and the figure of the actress counterposing two or more works from the feminist and from the dominant cinema What emerges is a fascinating picture of a women s film tradition that not only addresses but reworks and remakes the mainstream cinema Fischer successfully combines two main strains of feminist criticism the deconstructive critique of the dominant culture from a feminist standpoint and the study of a feminist counterculture Examining films from *Persona* and *The Lady from Shanghai* to *Girlfriends* and *Sisters or the Balance of Happiness* the book offers fresh interpretations of individual works and can incidentally serve as an introduction to the field of feminist film criticism Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
