Sleeping With Lions A Spiritual Awakening:

Sleeping with Lions: A Spiritual Awakening Netta Pfeifer, 2014-10-22 In *Sleeping with Lions* the author takes you on a spiritual safari that started in her difficult childhood with a mentally ill mother One of her earliest memories is of wanting to know what is love When she was eight years old she had a vision of a beautiful man with what she thought was a towel on his head He became her Guardian Angel her inner voice Little did she know that the answer to her question as told in *Sleeping with Lions* was right there in that vision Twenty years later she saw the wildly popular film called *Born Free* The story of how Joy and George Adamson rehabilitated their pet lioness Elsa and returned her to a wild life in Kenya spoke to the author of an unconditional letting go kind of love the kind of love for which she had been searching She wrote a fan letter to the Adamsons and Joy replied Leaving her one of a kind job as Executive Secretary to a top Hollywood motion picture talent agent after corresponding with Joy for two years she set out for Africa Far from finding love at Joy s camp where she worked as her assistant for six months the author encountered a woman whose mood swings and volatility were eerily reminiscent of her own mother s mental illness In the end Africa Joy and George Adamson and their cheetahs and lions served as a bridge for what became the real purpose of the author s journey After Joy it took her to Nairobi where she spent three months with the Veterinarians Drs Sue and Tony Harthoorn Through them she traveled to an ashram in India In that rarified atmosphere in the foothills of the Himalayas her quest for unconditional love and what it means to be truly free ended when she came face to face with her Guardian Angel and he became her Guru

Awaken the Lion Within San Acosta,2025-05-24 You want to experience the impossible Want to make all your dreams a reality for your life Awaken the Lion Within was born after a lifelong journey full of trials I understood clearly that the sufferings in life are only trials sent to train you to teach you to transform your fears into power and your pain into strength I stopped looking for approval from others and took time to look within for answers to all my questions I learned the power of surrendering all I can t control to the one that can control all my Creator God has given us the ability of miraculously receiving the fulfillment of all his promises for us and way more if only we move out of the way and let him guide and direct our paths This book is a call to action a testimony of how I walked the walk holding God s hand and trusting fully in his guidance doing everything he told me to do to heal and to let go He s helping me get to the finish line fully happy walking in his peace the peace I have been searching for fifty years the peace that surpasses all understanding and can only come from him Discover the power of letting go of what no longer serves your purpose in life Heal your inner child realizing it can be done no matter how good or bad your upbringing was Become all that God wants from you by doing the deep and intense work of healing Transform your life from the inside out becoming the best version of yourself Become all God intended you to become an overcomer a resilient and unstoppable soldier of God s army My favorite verse from the Bible is on a bracelet I wear daily I can do all things through Christ that strengthens me To me this means that through God s love power and guidance and by relying always on his strength when things get hard you can endure and overcome anything life throws at you All you need is to have faith the size of a mustard seed

Reflections: July August September 2015 Sasvati Nome, REFLECTIONS is the SAT Temple s quarterly journal Reflections contains transcriptions of satsangs at SAT given by Nome the teachings of Sri Ramana Maharshi excerpts from The Ramana Way the RMCL journal excerpts from numerous Advaitic scriptures updates on events occurring at the SAT Temple and much more Windows to the Heart of People of Faith Chris Anianwu,2013-04 The people who wrote their names in gold in the sight of God were people of faith Those ordinary people changed their world by believing God in the face of incredible odds Each of them passed through unimaginable circumstances but because they held unto God He moved in their favor To prove God as they did or to excel their exploits in the field of faith it is important for us to peep into their mindset when they were in the eyes of the storms of life The problem is that if we fail to walk in faith we miss God On the other hand if we fail to learn from people of faith we stand to lose A close look at what people of faith said or did when they were in the battlefield will help anybody who wants to travel far with God A good understanding of how they were feeling and proper appropriation to our circumstances will give us the much needed victory If they succeeded with few examples to guide them we can do better The ball is in our court Tropologia Benjamin

 ever waving its tentacles trying to detain her The Spirit of this age assaults her defenses with ever increasing ferocity At
 times it has seemed like her attention has been completely captured by inferior suitors Now God s patience is exhausted And
 many can hear His Roar reverberating in the heavenlies And it is not the sound of an approaching storm front although it
 may be accompanied by one both in the natural and spiritual realm It s a demand a shout of ownership that cannot be
