Skeleton in the Closet and Other Stories Robert Bloch,2008 Learning Java Patrick Niemeyer, Jonathan Knudsen, 2005-05-20 Version 5 0 of the Java 2 Standard Edition SDK is the most important upgrade since Java first appeared a decade ago With Java 5 0 you ll not only find substantial changes in the platform but to the language itself something that developers of Java took five years to complete The main goal of Java 5 0 is to make it easier for you to develop safe powerful code but none of these improvements makes Java any easier to learn even if you ve programmed with Java for years And that means our bestselling hands on tutorial takes on even greater significance Learning Java is the most widely sought introduction to the programming language that s changed the way we think about computing Our updated third edition takes an objective no nonsense approach to the new features in Java 5 0 some of which are drastically different from the way things were done in any previous versions. The most essential change is the addition of generics a feature that allows developers to write test and deploy code once and then reuse the code again and again for different data types The beauty of generics is that more problems will be caught during development and Learning Java will show you exactly how it s done Java 5 0 also adds more than 1 000 new classes to the Java library That means 1 000 new things you can do without having to program it in yourself That's a huge change With our book's practical examples you'll come up to speed quickly on this and other new features such as loops and threads The new edition also includes an introduction to Eclipse the open source IDE that is growing in popularity Learning Java 3rd Edition addresses all of the important uses of Java such as web applications servlets

and XML that are increasingly driving enterprise applications The Seductions of Psychoanalysis John Forrester, 1991-10-25 Reflection on the history of psychoanalysis its conceptual foundations and its relation to other **EXPOSED** Tommy Clancy, Tommy first begins to suspect that Maxi is living two lives in the idyllic village of Unterhausen One life where she puts up her fa ade and pretends to be happy in her unfulfilling marriage Then when there is no one looking she retreats into seclusion and turns to Tommy This is where her heart has always been However with him she has three lives They have their romantic past Now in the present they are living in the throes of rekindled love and passion However it is their future that is being held hostage by her overbearing parents feeble husband and the ultimate question of how to handle telling her boys One cannot close the door to their past while she still has one foot on the other side He notices that although she is the life of the party and known as little miss sunshine that she seems to have walls built all around her Is it a self defense mechanism or is she hiding secrets in that fortress On one hand she pours her heart and soul out to him On the other hand there are periods of unexplained silence She never mentions her husband but they are both aware that he is there Once the walls have been breached what other secrets will be exposed Richards Bodart, 2002 Radical young adult fiction can be edgy and raw which is why young adults who read it find it to be very relevant to their lives Teens struggling with issues in today's society can often recognize themselves and identify their problems in the fictional lives they read about There are no easy answers or pat endings in these books They often are accused of being dark gritty and bleak because they deal with subjects like incest teenage pregnancy dysfunctional families gangs prejudice violence drugs or other complex problems Central characters can be quite mature and multidimensional and plot lines are complex These books break boundaries in various ways from the challenge they present to the reader to the voice they give to their young protagonists Radical YA fiction is frequently more complex and better written than many adult bestsellers Bodart long known as the reigning queen of booktalking has identified 101 engaging tough and well written books and presents them in a way that will help the librarian defend their presence in the library or classroom the parent who wants to know what their child is reading and the teen who is looking for a Rad Read Naturally there is a booktalk to pique interest and give away just enough of the story Entries also include character lists and sections on subject areas and major themes Bodart also provides a number of booktalk and book report ideas Her section on risks will alert adults to mature themes while her section on strengths will help defend these books against their critics. The author has also included awards won and a section of book reviews which will be useful for both adult and student All the books listed are accessible to readers of middle school ability and up This is truly a multipurpose book from an expert who knows her stuff and essential for any library serving a teen audience and handy for parents as well The Trial in American Life Robert A. Ferguson, 2008-08-05 In a bravura performance that ranges from Aaron Burr to O J Simpson Robert A Ferguson traces the legal meaning and cultural implications of prominent American trials across the history of the nation His interdisciplinary

investigation carries him from courtroom transcripts to newspaper accounts and on to the work of such imaginative writers as Emerson Thoreau William Dean Howells and E L Doctorow Ferguson shows how courtrooms are forced to cope with unresolved communal anxieties and how they sometimes make legal decisions that change the way Americans think about themselves Burning questions control the narrative How do such trials mushroom into major public dramas with fundamental ideas at stake Why did outcomes that we now see as unjust enjoy such strong communal support at the time At what point does overexposure undermine a trial s role as a legal proceeding Ultimately such questions lead Ferguson to the issue of modern press coverage of courtrooms While acknowledging that media accounts can skew perceptions Ferguson argues forcefully in favor of full television coverage of them and he takes the Supreme Court to task for its failure to grasp the importance of this issue Trials must be seen to be understood but Ferguson reminds us that we have a duty currently ignored to ensure that cameras serve the court rather than the media The Trial in American Life weaves Ferguson's deep knowledge of American history law and culture into a fascinating book of tremendous contemporary relevance A distinguished law professor accomplished historian and fine writer Robert Ferguson is uniquely qualified to narrate and analyze high profile trials in American history This is a superb book and a tremendous achievement The chapter on John Brown alone is worth the price of admission Judge Richard Posner A noted scholar of law and literature Ferguson offers a work that is broad in scope yet focuses our attention on certain themes notably the possibility of injustice as illustrated by the Haymarket and Rosenberg prosecutions the media s obsession with pandering to baser instincts and the future of televised trials One of the best books written on this subject in guite some time Library Journal starred review The Grand Designer: Discovering the Quantum Mind Matrix of the Universe graham smetham, 2010-10-31 A thorough investigation of the implications of quantum theory for the Philosophy of Religion This book shows that Stephen Hawking is incorrect when he says that modern physics disproves God In fact his own book The Grand Design requires the existence of an infinite Cosmic Mind The Grand **Lessons Of Our Fathers** Thomas J. Cini,2006 Lessons Of Our Fathers is a heart warming story of a man in the Designer twilight of his years who is asked to share his life story with his granddaughter She needs his help writing her thesis explaining that he is living proof of what she intends to write about and can provide firsthand knowledge about his generation When she discovers that he can fill out the branches of their family tree the project takes on an entirely new meaning for the two of them and starts them off on an exciting journey into the past Miss Judith's Girls Robin Bond, 2021-01-01 Judith is a senior at St Swithin's college for girls Under the supervision of her dominant charismatic personality suitable younger students are trained to service the sexual needs of older women in the town Miss Judith as she is known imposes strict standards of dress and behaviour with severe punishments for infractions and is dedicated to producing a cadre of sexually skilled submissive girls catering to a range of lesbian tastes Miss Judith s collaborator is Felicity and together they take in hand a new girl Hannah Initially she is na ve and uncertain of her sexuality but eventually she becomes

one of Miss Judith's star performers greatly in demand by the clientele Hannah is especially valued for her willingness to submit to those ladies who require girls of a masochistic temperament who will submit to spanking and other harsh treatment To amuse herself Miss Judith embarks on a project to turn the heterosexual German teacher Frau Ledermann in to a lesbian She imposed on her a series of humiliations and tests of her obedience Miss Judith has a rival a lady named Mrs Lockhart who also trains young girls mostly from the town to provide services to older women in the locality Things come to a head when Mrs Lockhart accuses Miss Judith of poaching her girls Judith senses that the woman while appearing as a Domme has a submissive side and she is able to humiliate and bend Mrs Lockhart to her will forcing her to work as her assistant Gradually Miss Judith involves Hannah more and more in the disciplining and training of the other girls Eventually Judith and Felicity offer Hannah the chance to take over the principal role after she demonstrates her suitability by bringing to heel a particularly recalcitrant girl Hannah has successfully made the transition from a submissive to a dominant position

Herndon's Lincoln William Henry Herndon, Jesse William Weik, 2006 William H Herndon aspired to write a faithful portrait of his friend and law partner Abraham Lincoln based on his own observations and on hundreds of letters and interviews he had compiled for the purpose Even more important he was determined to present Lincoln as a man rather than a saint and to reveal things that the prevailing Victorian conventions said should be left out of the biography of a great national hero A variety of obstacles kept Herndon from writing his book however and not until he found a collaborator in Jesse W Weik did the biography begin to take shape It finally appeared in 1889 to decidedly mixed reviews Though controversial from the outset Herndon's Lincoln nonetheless established itself as a classic and remains as Don E Fehrenbacher declared the most influential biography of Lincoln ever published This new edition restores the original text includes two chapters added in the revised 1892 edition and traces the history of how Herndon and his collaborator after many delays produced one of the landmark biographies in American letters Extensive annotation affords the reader a detailed look at the biography's sources The Handbook of COURAGE Apor, Balázs, Apor, Péter, Horváth, Sándor, 2018-11-27 The COURAGE Handbook ushers its reader into the world of the compellingly rich heritage of cultural opposition in Eastern Europe It is intended primarily to further a subtle understanding of the complex and multifaceted nature of cultural opposition and its legacy from the perspective of the various collections held in public institutions or by private individuals across the region Through its focus on material heritage the handbook provides new perspectives on the history of dissent and cultural non conformism in the former socialist countries of Central Eastern and Southeastern Europe The volume is comprised of contributions by over 60 authors from a range of different academic and national backgrounds who share their insights into the topic It offers focused discussions from comparative and transnational perspectives of the key themes and prevailing forms of opposition in the region including non conformist art youth sub cultures intellectual dissent religious groups underground rock avantgarde theater exile traditionalism ethnic revivalism censorship and

surveillance The handbook provides its reader with a concise synthesis of the existing scholarship and suggests new avenues **Shadows of the Soul** Angeligue Armae, 2011-07-28 A fallen angel An immortal human A race for further research against time When two souls born on opposite sides of the battle between Heaven and Hell team up to find a sacred antidote to a supernatural disease the balance between good and evil is forever altered Isabel a Paradisian Scholar is an immortal human trained in the ways of Heaven and Hell During her last battle a dark force erased specific portions of her past life memories She remembers little save for the fact she s a demon slayer mentored by the archangel Gabriel When ordered to a new post to help translate a volume of ancient text from a forbidden verse Isabel's path crosses with a dark prince Nicolai who is in a race against time to stop a deadly virus which he unknowingly unleashed from threatening his kin Nicolai needs Isabel s help and she finds the tempting creature hard to resist Secrets are revealed as the efforts to keep the virus from attacking again unfold The American Catalog, 1896 **Lady Bird and Lyndon** Betty Boyd Caroli, 2015 Marriage is the most underreported story in political life and yet is often the key to its success This is the idea driving a revealing new portrait of Lady Bird as the essential strategist fundraiser barnstormer peacemaker and ballast for Lyndon A biography of a political partnership that helps explain how the wildly talented but deeply flawed Lyndon Baines Johnson ended up making Messages of Encouragement Wanda Levy, 2020-01-16 Messages of Encouragement has sixteen history P 2 of jacket individual messages one for every reader It encourages support and teaches the Bible on a level everyone can understand This book incorporates stories from the Bible and shows the connection with today s problems issues The Bible truly is made simple to comprehend This book gives you the freedom and courage to open up about your problems The Bible says Christians all around the world are going through the same sufferings So know that you are never alone You must know who you are before you are Answering guestions on why you are more down than up Searching for a peace that only Christ can give If you must think about a particular place or situation to bring relaxation and peace this means you are not in peace This is the world's description of peace You may be wondering if you are supposed to be here I too once had this same thought and contemplated suicide Christ did not judge me he intervened and save me This book is not to judge nor condemn you but to help you Confused as to how do you find the good in a bad and hopeless situation I do not have all the answers but I know a God who does When we discount people we lessen their value We are saying they are less than what Christ created them to be or what we perceive or others say they are The world has a favorite saying It is what it is The Holy Spirit says otherwise No it is not what it is it is what the word of God says it is And if it is not in the word you need to leave it alone At night many of you may have the same or similar problem that I do When you lie down to sleep you have a pillow bed and all the comforts of home I would think about all the people that depend on me daily and all the tragedies I would see on TV With all the burdens anxieties and stresses of the day I would find myself saying Lord I have no place to lay my head Does this sound familiar I have a home yet I was homeless in the mind Burdens and stresses will weigh you down and drain your energy

Learn how to relinquish control to Christ Selling Christ was a very difficult and dangerous job in the Bible It kept the Apostle Paul on the run and in fear for his life Many Christians are finding out it is still difficult on today It will get you hated talked about lied upon You may be called a child of the Most High God But I can guarantee you it will get you called some other names by Christians you did not expect This too I have had to experience firsthand Many Christians I have talked with wants to give up on life and guit Messages of Encouragement gives you hope to keep going until you receive your breakthrough You will see history consistently repeating itself Florida State University Law Review Florida State University. College of Law,1996 **Orange Coast Magazine**, 1995-08 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle Secret Scrolls Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one s faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown s notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls
