Nancy Caroline's Emergency Care in the Streets, Canadian Edition Nancy L.

Caroline, 2011-03-09 The Paramedic Association of Canada together with the American Academy of Orthopaedic Surgeons and Jones and Bartlett Publishers are proud to continue Dr Nancy Caroline's legacy by introducing Emergency Care in the Streets Canadian Edition. Dr Caroline's work transformed EMS and the entire paramedic field. She created the first national standard curriculum for paramedic training in the United States. She also wrote the first paramedic textbook Emergency Care in the Streets. In 2007 we welcomed back Emergency Care in the Streets with the publication of the Sixth Edition in the United States. Now this program has been rewritten and revised by Canadian EMS experts specifically for Canadian paramedics using the National Occupational Competency Profiles.

Nursing Interventions & Clinical Skills - E-Book Anne G. Perry, Patricia A. Potter, Wendy R. Ostendorf, 2015-01-08 Master nursing skills with this guide from the respected Perry Potter Ostendorf author team. The concise coverage in Nursing Interventions Clinical Skills 6th Edition makes it easy to master the clinical skills required in everyday nursing practice. Clear guidelines address 159 basic intermediate and advanced skills from measuring body temperature to insertion of a peripheral intravenous device and step by step instructions emphasize the use of evidence based concepts to improve patient safety and outcomes. It's friendly easy to read writing style includes a streamlined format and an Evolve companion website with review questions and handy checklists for each skill. Coverage of 159 skills and interventions addresses basic intermediate and advanced skills you'll use every day in practice. UNIQUE Using Evidence in Nursing Practice chapter provides the information needed to use evidence based practice to solve clinical problems. Safe Patient Care Alerts highlight unusual risks in performing skills so you can plan ahead at each step of nursing care. Delegation Collaboration guidelines help you make decisions in whether to delegate a skill to unlicensed assistive personnel and indicates what key information must be shared. Special Considerations indicate additional risks or accommodations you may face when caring for pediatric or geriatric patients and patients in home care settings. Documentation guidelines include samples of nurses notes showing what should be reported and recorded after performing skills. A consistent format for nursing skills makes it easier to perform skills always including Assessment Planning Implementation and Evaluation. A Glove icon identifies procedures in which clean gloves should be worn or gloves should be changed in order to minimize the risk of infection. Media resources include skills performance checklists on the Evolve companion website and related lessons videos and interactive exercises on Nursing Skills Online. NEW coverage of evidence based techniques to improve patient safety and outcomes includes the concept of care bundles structured practices that have been proven to improve the quality of care and teach back a new step that shows how you can evaluate your success in patient teaching. NEW Coverage of HCAHPS Hospital Care Quality Information from the Consumer Perspective introduces a concept now widely used to evaluate hospitals across the country. NEW Teach Back step shows how to evaluate the success of patient teaching so you can be sure that the patient has mastered a task or consider trying additional teaching methods. NEW Updated 2012 Infusion Nurses Society standards are incorporated for administering IVs as well as other changes in
