greatest fear is discovery      **The Light Series Box Set** Jennifer DeLucy, 2014-09-23 The three book box set of The Light Series by Jennifer DeLucy includes *Seers of Light*, *Whisper of Light*, *Circle of Light* and the short *Glimpse of Light*. *Seers of Light* Lillian Hunt has never truly lived. Always sensing there was more to the world than is easily perceived, she feared that her instincts were stubborn flights of fancy or worse, mental instability. But some things disappearing strangers, tangible dreams and visits from malevolent creatures cannot be ignored. Is Lillian alone in her surreal little world or are there others like her? Will she reject a fated love or embrace the truth of what she is unraveling the mystery of her life? *Whisper of Light* The saying goes that all men are created equal, but Nicole Abbot knows better. Lacking the supernatural gifts of the Sentients, she has known all her life. Nicole has lived with her nose pressed to the glass, withering beneath the guilt of her own inadequacies and the disapproving glare of her father. It's easy to believe that the universe has forgotten all about her, but things are not always as they seem. With the arrival of Christian Wright, a handsome but complex combatant with a troubled history, Nicole is forced to question everything she has ever believed about herself, proving that sometimes our most flawed perceptions are those reflected in a mirror. *Circle of Light* Empath and Pathcrosser to the dead, Lillian Hunt has finally come into her own as a Sentient being. All seems well in her brave new world, that is, until a tragic turn sends her tight-knit Sentient group on a rescue mission through lore-infested Europe. Their goal is to save the love of Lily's life, vampire Sentient William Maddox, from both the prejudice of their own society and the dark intentions of ancient vampires. But how will they keep hope alive even as time runs out? *Circle of Light* is a brilliant finale to The Light Series. DeLucy once again delivers gripping paranormal encounters, irresistible character interactions, and beautiful testaments to the power of pure, unselfish love, but it all burns at a higher intensity in this concluding adventure. Readers will come away from *Circle of Light* with a satisfying sense of closure, although certain Sentients may be less than happy with their ever after      **Entwined** Cherie Colyer, 2015-04-14 Only a few months after embracing her magical powers, defeating a dark witch at her high school, and banishing a faerie prince back to his realm, sixteen-year-old Madison Riley is back in book three of the Embrace series, and doing the bidding of a demon. She has no choice but to do so if she wants him to honor the deal they made at his crossroads territory to save the life of someone she loves. Twenty years of service to a creature of hell is a big price, but it sure beats the alternative: selling her soul. But life gets complicated when you're the beck and call witch of a crossroad demon. Caden, the demon she serves, wants to become master of Death Himself, and he has the means to do it as long as Madison helps him find all the pieces of an enchanted binding necklace. It's up to Madison and her coven to foil his plans, but Caden's intentions aren't entirely evil, and the kisses he seals his deals with aren't too bad, either. As Caden's motives test Madison's trust, his shameful flirting tries her boyfriend Isaac's patience. But being caught in a love triangle with two supernatural hotties is perhaps the least of her concerns when the coven's interference in Caden's plot might just cost Madison her life and unleash hell on earth      **The Playboy's Princess** Joy Fulcher, 2014-11-25 What do a Hollywood playboy and a Disney princess have
