Slapstick Or Lonesome No More:

Slapstick or Lonesome No More Kurt Vonnegut, 2010-02-23 Manhattan has become the Island of Death The former President of the United States stands barefoot in a purple toga around a cooking fire in the lobby of the Empire State Building He is Dr Wilbur Daffodil II Swain and Slapstick or Lonesome No More is his story one of monstrous twins orgies revenge golf utopian schemes and very little tooth brushing In this post apocalyptic black comedy dedicated to Laurel and Hardy Vonnegut is at his most hilarious grotesque and personal **Slapstick** Kurt Vonnegut, 1976 **Slapstick** Kurt Vonnegut, 1989 **Slapstick, Or, Lonesome No More!**, 1976 **Slapstick Or Lonesome No Kindle** Kurt Vonnegut, 2010-02-23 Slapstick Kurt Vonnegut (romancier.), 1976 The Vonnegut Effect Jerome Klinkowitz, 2012-06-05 A defining analysis of the entire span of Kurt Vonnegut's fiction Kurt Vonnegut is one of the few American writers since Mark Twain to have won and sustained a great popular acceptance while boldly introducing new themes and forms on the literary cutting edge This is the Vonnegut effect that Jerome Klinkowitz finds unique among postmodernist authors In this innovative study of the author's fiction Klinkowitz examines the forces in American life that have made Vonnegut's works possible Vonnegut shared with readers a world that includes the expansive timeline from the Great Depression during which his family lost their economic support through the countercultural revolt of the 1960s during which his fiction first gained prominence Vonnegut also explored the growth in recent decades of America's sway in art which his fiction celebrates and geopolitics which his novels question A pioneer in Vonnegut studies Jerome Klinkowitz offers The Vonnegut Effect as a thorough treatment of the author's fiction a canon covering more than a half century and comprising twenty books Considering both Vonnegut's methods and the cultural needs they have served Klinkowitz explains how those works came to be written and concludes with an assessment of the author's place in American fiction **Conversations with Kurt Vonnegut** Kurt Vonnegut, 1988 Gathers interviews with Vonnegut from each period of his career and offers a brief profile of his life and accomplishments American Dream, American Nightmare Kathryn Hume, 2022-08-15 In this celebration of contemporary American fiction Kathryn Hume explores how estrangement from America has shaped the fiction of a literary generation which she calls the Generation of the Lost Dream In breaking down the divisions among standard categories of race religion ethnicity and gender Hume identifies shared core concerns values and techniques among seemingly disparate and unconnected writers including T Coraghessan Boyle Ralph Ellison Russell Banks Gloria Naylor Tim O'Brien Maxine Hong Kingston Walker Percy N Scott Momaday John Updike Toni Morrison William Kennedy Julia Alvarez Thomas Pynchon Leslie Marmon Silko and Don DeLillo Hume explores fictional treatments of the slippage in the immigrant experience between America's promise and its reality She exposes the political link between contemporary stories of lost innocence and liberalism's inadequacies She also invites us to look at the literary challenge to scientific materialism in various searches for a spiritual dimension in life The expansive future promised by the American Dream has been replaced Hume finds by a sense

of tarnished morality and a melancholy loss of faith in America's exceptionalism *American Dream American Nightmare* examines the differing critiques of America embedded in nearly a hundred novels and points to the source for recovery that appeals to many of the authors

Kurt Vonnegut Remembered Jim O'Loughlin, 2019-03-26 A collection of reminiscences that illuminate the career and private life of the iconic author of *Slaughterhouse Five* Kurt Vonnegut 1922-2007 who began his writing career working for popular magazines held both literary aspirations and an attraction to genre fiction His conspicuous refusal to respect literary boundaries was part of what made him a countercultural icon in the 1960s and 1970s Vonnegut's personal life was marked in large part by public success and private turmoil Two turbulent marriages his sudden adoption of his late sister's four children and the equally sudden removal of one of those children and a mid-eighties suicide attempt all signaled the extent of Vonnegut's inner troubles Yet he was a generous friend to many maintaining close correspondences throughout his life *Kurt Vonnegut Remembered* gathers reminiscences by those who knew him intimately and from those met him only once that span Vonnegut's entire life Among the anecdotes in this collection are remembrances from his immediate family reflections from his comrades in World War II and tributes from writers he worked with in Iowa City and from those who knew him when he was young Editor Jim O'Loughlin offers biographical notes on Vonnegut's relationship with each of these figures Since Vonnegut's death much has been written on his life and work but this new volume offers a more generous view of his life particularly his last years In O'Loughlin's introduction to the volume he argues that we can locate and understand Vonnegut's best self through his public persona and that in his performance as the kind and humane figure that many of the speakers here knew him as Vonnegut became a better person than he ever felt himself to be

Kurt Vonnegut's Slaughterhouse-five Kurt Vonnegut, Jr., 2009 Presents a collection of critical essays about Kurt Vonnegut's *Slaughterhouse five*

The Upside-down Tree Richard D. Connerney, 2009 India's future will be determined not only by economic development but also by a dynamic traditional culture that continues to develop along its own lines sometimes in concert and sometimes in conflict with material enrichment India develops not as one writer has suggested in spite of the gods Rather the seed for the creation and the fuel for the sustenance of India's economic boom lay in its traditions and I will argue the animating spirit of its future lies there as well I have neither the expertise nor the

access to operate as a political correspondent nor the desire to posture as a political pundit During eighteen years of research however I have seen what I perceived as a pervasive misrepresentation of recent developments in Indian politics More specifically a number of recent books consistently paint the Hindu right wing in India as essentially fascist or theocratic My observations show that these claims are untenable and misrepresent a positive development in the history of Indian democracy To think clearly about the changes in today s India we require a new model the bi directional banyan tree a symbol borrowed ironically from ancient Sanskrit verses Pindar claimed Custom is King of all and this serves as a succinct expression of the central thesis of this book Publisher s website **Sanity Plea** Lawrence R. Broer,1994-08-30 In this revised edition of a volume originally published in 1989 Lawrence Broer extends his comprehensive critique of the body of writing by Kurt Vonnegut Broer offers a broad psychoanalytic study of Vonnegut s works from Player Piano to Hocus Pocus taking a decisively new approach to the work of one of America s most important yet often misinterpreted writers A compelling and original analysis Sanity Plea explores how Vonnegut incorporates his personal experiences into an art that is not defeatist but rather creatively therapeutic and life affirming **How to Rethink Human Behavior** Bernard Guerín,2016-05-20 Developed from the author s long teaching career How to Rethink Human Behavior aims to cultivate practical skills in human observation and analysis rather than offer a catalogue of immutable facts It synthesizes key psychological concepts with insights from other disciplines including sociology social anthropology economics and history The skills detailed in the book will help readers to observe people in their contexts and to analyze what they observe in order to make better sense of why people do what they do say what they say and think what they think These methods can also be applied to our own thoughts talk and actions not as something we control from within but as events constantly being shaped by the idiosyncratic social cultural economic and other contexts in which our lives are immersed Whether teaching studying or reading for pleasure this book will help readers learn How to think about people with ecological or contextual thinking How your thinking is a conversation with other people How to analyze talk and conversations as social strategies How capitalist economies change how you act talk and think in 25 ways How living in modern society can be linked to generalized anxiety and depression How to Rethink Human Behavior is important interdisciplinary reading for students and researchers in all fields of social science and will especially appeal to those interested in mental health It has also been written for the general reading public who enjoy exploring new ideas and skills in understanding themselves and other people **Madeline Kahn** William V. Madison,2015-04-29 Best known for her Oscar nominated roles in the smash hits Paper Moon and Blazing Saddles Madeline Kahn 1942 1999 was one of the most popular comedians of her time and one of the least understood In private she was as reserved and refined as her characters were bold and bawdy Almost a Method actor in her approach she took her work seriously When crew members and audiences laughed she asked why as if they were laughing at her and all her life she remained unsure of her gifts William V Madison examines Kahn s film career including not only her triumphs with Mel

Brooks and Peter Bogdanovich but also her overlooked performances in *The Adventure of Sherlock Holmes Smarter Brother* and Judy Berlin her final film *Her work in television notably her sitcoms also comes into focus* New York theater showered her with accolades but also with remarkably bad luck culminating in a disastrous outing in *On the Twentieth Century* that wrecked her reputation on Broadway Only with her Tony winning performance in *The Sisters Rosensweig* fifteen years later did Kahn regain her standing Drawing on new interviews with family friends and such colleagues as Lily Tomlin Carol Burnett Gene Wilder Harold Prince and Eileen Brennan as well as archival press and private writings Madison uncovers Kahn's lonely childhood and her struggles as a single woman working to provide for her erratic mother Above all Madison reveals the paramount importance of music in Kahn's life A talented singer she entertained offers for operatic engagements long after she was an established Hollywood star and she treated each script as a score As Kahn told one friend her ambition was to be the music
