**Incidents in the Life of a Slave Girl** Harriet Ann Jacobs, 2009-11-09 Harriet Ann Jacobs was an American writer, escaped slave, abolitionist, speaker, and reformer. Jacobs' single work *Incidents in the Life of a Slave Girl*, published in 1861 under the pseudonym Linda Brent, was one of the first autobiographical narratives about the struggle for freedom by female slaves and an account of the sexual abuse they endured. While on one level it chronicles the experiences of Harriet Jacobs as a slave and the various humiliations she had to endure in that unhappy state, it also deals with the particular tortures visited on women at her station. Often in the book she will point to a particular punishment that a male slave will endure at the hands of slave holders and comment that although she finds the punishment brutal in the extreme, it cannot compare to the abuse that a young woman must face while still on the cusp of girlhood.

*Incidents in the Life of a Slave Girl Written by Herself* Harriet Ann Jacobs (Linda Brent), 2018-09-27  
*Incidents in the Life of a Slave Girl Written by Herself* is one of the many slave narratives that emerged out of the terrible and inhuman atrocities committed in the nineteenth century by white Americans. Modern-day readers would find it difficult to believe that such practices existed in the Land of the Free. Assisted by abominable laws like the Fugitive Slave Act of 1850, endorsed by Congress, slave owners were allowed to pursue their property across the length and breadth of the country. Born in slavery but being fortunate enough to be owned by a benevolent mistress, her life takes a tragic turn when her parents and her benefactor die. The new heir to the property and slaves is a cruel and lewd man who begins to make inappropriate advances to the lovely young slave girl. In a bid to escape, she becomes entangled in a relationship with a neighboring landowner who promises a better life and she even has two children. However, things become worse for her when her cruel owner decides to punish her by sending her and her children to a distant cotton plantation to be broken in. She plans a devious method of escape and ends up spending seven terrible years locked up in a tiny cramped garret. Relentlessly pursued by her wicked owner, she lives in fear and desperation.

was born a slave but I never knew it till six years of happy childhood had passed away. My father was a carpenter and considered so intelligent and skilful in his trade that when buildings out of the common line were to be erected he was sent for from long distances to be head workman. On condition of paying his mistress two hundred dollars a year and supporting himself, he was allowed to work at his trade and

manage his own affairs His strongest wish was to purchase his children but though he several times offered his hard earnings for that purpose he never succeeded In complexion my parents were a light shade of brownish yellow and were termed mulattoes They lived together in a comfortable home and though we were all slaves I was so fondly shielded that I never dreamed I was a piece of merchandise trusted to them for safe keeping and liable to be demanded of them at any moment I had one brother William who was two years younger than myself a bright affectionate child      **Incidents in the Life of a Slave Girl** Harriet Jacobs,2000-07-01      *Incidents in the Life of a Slave Girl Written by Herself* Harriet a Jacobs,2020-12-31 Published in 1861 this was one of the first personal narratives by a slave and one of the few written by a woman
